The Church Matching Scholarship

This program is a partnership between Georgetown College and the student's church to provide financial assistance to the student in the amount of \$100 per semester from the church to be matched by \$100 per semester from the college.

Steps to Follow:

1. Complete this application and have the church leader or financial officer where the student is a member sign the form. By signing the form, the student is applying for the College match and Pastor is attesting to the fact that the church has committed to funding a scholarship of \$100 per semester for the student.
2. The application must be received by the Office of Student Financial Planning no later than July 1 prior to the school year for which the scholarship is being sought.
3. The church shall send their funds directly to the Office of Student Financial Planning no later than the start of each semester. For the 2003-2004 school year the start dates are August 25, 2003 and January 12, 2004.
4. Should the church not be able to completely fund \$100 per semester the college will only match the amount received. If the church chooses to fund more than \$100 per semester, that amount will be credited to the student's account, but the college will match no more than \$100 per semester.
5. Church funds not received by one month into each semester will be credited to the student's account if received later but the College will not be able to match the church contribution.
