

PAEMS

PRE-COLLEGE ACADEMIC EXPERIENCE
IN MATH & SCIENCE

JUNE 18 TO JUNE 30, 2017

Held on the beautiful campus of **Georgetown College** in Georgetown, KY, participants preview college life as they work alongside Georgetown faculty to explore **advanced topics in math and science**.

- **Enrollment** is limited to no more than 26 students to promote effective interaction between students and faculty.
- A diverse curriculum includes modules in **Astronomy, Biology, Chemistry, Environmental Science** and **Mathematics; Statistics and Computing**.
- Classroom and laboratory experiences are complimented with field trips to science-related destinations such as the Cincinnati Zoo and Botanical Gardens, the University of Kentucky MacAdam Student Observatory, and a full-service equine hospital. Hiking, picnicking, and other activities are also included.
- Tuition is **\$700** for the 13-day program. This includes most meals and on-campus housing in an air-conditioned dormitory. Some need-based grants are available.

We will begin reviewing applications on April 17, but will continue to accept applications until all openings are filled.
