Graduate Education

2015 – 2016 Catalog
Dear Georgetonian:

What a privilege it is for me to welcome you to Georgetown College! I am confident that your decision to become a Georgetonian will be even more rewarding and fulfilling than you have imagined. The opportunities that await you here are filled with exciting promise for academic enrichment and personal growth. While a student at Georgetown College, you will be encouraged and challenged by an outstanding faculty and staff. Indeed, our strong academic reputation has been achieved through superb teaching and mentoring of students in the liberal arts, sciences, and professions. It is what sets Georgetown apart from its closest competitors.

A senior institution since 1829, Georgetown has been recognized as an outstanding Christian college from its earliest days. We cherish our rich heritage as we fulfill Georgetown’s mission to provide students an exceptional educational experience in a vibrant Christian community.

We are honored that you have chosen Georgetown College. And as President, I am delighted to welcome you as your exciting journey begins!

With kind regards, and

Sincerely,

Michael Dwaine Greene
President
Profile

Founded: Chartered in 1829; roots on site date back to 1787

Location: 400 E. College St., Georgetown, Kentucky 40324

Campus: 104 acres, nine academic buildings of which three are updated antebellum structures, fifteen residence halls, and five apartment-style buildings

Type: Baccalaureate-Liberal Arts; residential; a Christian college in the Baptist tradition

Calendar: Two fifteen-week regular semesters, two optional mini-terms; undergraduate five-week summer sessions; seven-week graduate sub-sessions

Degrees/Majors: Bachelor of Arts, Bachelor of Science, Master of Arts; more than 30 regular majors, unique area majors, plus dual-degree and pre-professional programs; 10 graduate education programs

Enrollment: 979 undergraduate, 283 graduate (Fall 2014)

Student/Faculty: 9:1 (undergraduate)

Faculty Ph.D.: 96% hold terminal degrees in their field

Fall 2013 Entering Class: Average ACT Composite 24; HS GPA 3.37

Financial Aid: More than $35 million distributed in 2014-2015; extensive program of endowed and college-funded grants and scholarships
Athletics: NAIA, Mid-South Conference, 17 inter-collegiate sports plus cheerleading, dance, and fishing

Alumni: 25,049; 50 states, the District of Columbia, U.S. Territories and 42 foreign countries represented

Distinctions: U.S. News and World Report’s America’s Best Colleges, also recognized among the “Best Online Graduate Education Programs”; America’s 100 Best College Buys®; America’s Best Christian Colleges®; Colleges of Distinction; Washington Monthly’s Best Liberal Arts Colleges; identified as a “Hidden Gem” on ACTA’s “What Will They Learn?” website for strong core curriculum; member, Southern University Conference

How To Use This Catalog

This catalog is a description of the academic programs, policies, facilities, services, and staff of Georgetown College. It describes what is available and what is expected in order to complete a program of study successfully. This catalog is essential for planning one’s academic experiences, and can be most useful when supplemented with faculty advising and guidance.

This catalog is not an offer to make a contract. While the information in this catalog is current at the time of publication, Georgetown College reserves the right to change or delete any of its courses of study, course offerings, schedule, tuition, and other changes, policies or programs of the College at any time and without any notice.

A candidate for a degree may choose to graduate under the regulations of the catalog in force at the time of enrollment or any subsequent catalog provided that the catalog chosen is not more than seven years old. A student must have been enrolled under the catalog chosen and must conform to the degree requirements of that catalog.

While Georgetown College is committed to academic quality, the College is not able to guarantee that a student’s pursuit of a particular course of study will result in any profession or occupation, or admission to other undergraduate or graduate courses of study at other institutions. Advisors and college officials make every effort to provide current information to students, but it is the student’s responsibility to know all applicable policies and degree requirements.

Other College Publications

The my.georgetowncollege web portal is designed to help you in your everyday experience here at Georgetown College. It is a source from which you can access much of your personal, academic, and financial information as it relates to the college. https://my.georgetowncollege.edu

THE COLLEGE: MISSION, HISTORY AND TRADITION

Mission

The mission of Georgetown College is to prepare students to engage in their life’s pursuits with thoughtfulness and skill by providing an exceptional educational experience in a vibrant Christian community. Distinguished by its emphasis on outstanding teaching and mentoring, the College offers excellent academic programs in the liberal arts, sciences, and professions.

In advancing its mission, the College:
• Offers excellent academic programs at both undergraduate and graduate levels.
• Maintains a strong commitment to core preparation and exploration in the liberal arts and sciences.
• Provides talented faculty and staff who are committed to student growth and learning.
• Preserves the close faculty-student bonds that have long distinguished its learning and mentoring context.
• Encourages a faith that seeks understanding through free and thoughtful inquiry.
• Honors its Baptist heritage through which it welcomes diverse perspectives and traditions.
• Offers students an enriching living and learning community.
• Supports a wide range of opportunities which promote engaging and meaningful experiences stretching from the classroom to around the globe.
• Pursues athletic excellence practiced with the highest integrity.
• Promotes ethical practices that develop character and enrich human and natural communities.

Fulfilling its distinctive mission with the liberal arts, sciences, and professions, Georgetown College’s aim is to continue to be one of the finest Christian colleges in the country.
HISTORY AND TRADITION

On January 15, 1829, an act of the thirty-seventh General Assembly of the Commonwealth of Kentucky approved the incorporation of the Trustees of the Kentucky Baptist Education Society. The trustees established Georgetown College, the first Baptist college west of the Allegheny Mountains.

Although chartered in 1829, Georgetown College’s heritage may be traced to 1787 when Elijah Craig, a Baptist minister and businessman from Virginia, opened a classical school in Georgetown, originally named Lebanon. The Royal Springs Academy gave way to the Rittenhouse Academy a decade later after that institution was transferred from a western Kentucky frontier site to what is now the northwestern quarter of the College’s campus.

The College officially opened on January 1, 1830, as an institution affiliated with the Baptist leadership of Kentucky and supported by interested citizens of Scott County and Georgetown. The College’s liberal arts tradition was firmly entrenched within a decade due to the vision of President Howard Malcom. Faculty and students labored together outside the classroom as well. Joint building projects on campus and in the community resulted in the completion of Pawling Hall and Georgetown Baptist Church.

The early faculty and administration of Georgetown came from the leading educational institutions of the day in the United States and abroad. In those formative years, a blend of northeastern influence with southern tradition was emerging; students from Maine to Louisiana traveled to Georgetown by 1845, and international students first arrived in 1852. Early graduates found places of service and leadership as lawyers, physicians, businessmen, and teachers; the ministry attracted a third of the student body due to the incorporation of the Western Baptist Theological Seminary in 1858.

Following a brief, four-month closure in mid-1861, Georgetown College resumed operation and eventually survived the tumultuous Civil War with no damage to buildings as students consistently made it through the shifting battle lines. Shortly after the war, Georgetown possessed the only men’s college, seminary, and female seminary in operation by Southern Baptists. This attracted Basil Manly, co-founder of the Southern Baptist Theological Seminary and the first President of the Baptist Sunday School Board, as the College’s ninth president. He led the significant curriculum revision to a more elective system than in pre-war days. The first B.A. and
B.S. degrees under this new plan were conferred in 1873, while the first M.A. degree was granted five years later. Since 1884, coeducational classes have been offered on campus; this was among the earliest such programs in the South, and became a fixture following the 1892 merger with Georgetown Female Seminary.

The decade that opened the twentieth century was highlighted by the first Rhodes Scholar from Georgetown College, who received the recognition in 1904. Continuing to and beyond World War I, growth resulted in expansion of the College’s physical plant, enhancement of its curricular offerings, and a substantial increase in enrollment and faculty. Kentucky’s first forensics society (1921) and oldest drama group, the Maskrafters (1924), reside at Georgetown College. As much of the country was withdrawing from international involvement, the College established Kentucky’s first International Relations Club (1922), which facilitated faculty and student foreign exchange and study.

From 1924 to 1934, Georgetown College produced more graduates who joined the ranks of the nation’s scientists than any other college in the Commonwealth. In 1942, Georgetown College formalized an agreement with the Kentucky Baptist Convention giving up rights to a self-perpetuating board of trustees in exchange for annual financial support. Following World War II, unparalleled enrollment growth and improvements in physical facilities were hallmarks of the College’s progress. A prime example of this latter commitment was construction of John L. Hill Chapel in the late 1940s, replacing an earlier structure lost to fire. In the mid-1950s, Georgetown students began to receive Fulbright Scholarships for overseas study. A Master of Arts Degree, balancing the liberal arts with professional education, was established in 1957.

Continued growth and expansion under the leadership of President Robert L. Mills characterized the 1960s and 1970s, providing the physical resources for a truly residential campus.

The historic purposes of Georgetown College have remained essentially the same throughout its long existence and now into the twenty-first century: to foster the discovery and critical appraisal of knowledge and to promote the understanding and communication of ethical and spiritual values. Among the College’s 24,000 alumni are five Rhodes Scholars, 41 college and university presidents, a one-time advisor to the President of the United States, U.S. Congressmen, leading scientists and corporate decision-makers, and a multitude of lawyers, doctors, musicians, artists, educators, and ministers.
In November 2005, Georgetown restructured its covenant partnership with the Kentucky Baptist Convention, reestablishing a self-perpetuating board of trustees while maintaining our historic Baptist heritage.

GEORGETOWN COLLEGE TODAY

Today, Georgetown College students represent thirty states and eight foreign countries. The College is nationally recognized for its superb faculty, challenging curriculum, rich traditions, and high ideals. Recent and growing recognition among a variety of national listings and foundations attest to the enhanced perception of Georgetown College from a number of sectors. The College is identified by the Carnegie Foundation for the Advancement of Teaching as a Baccalaureate-Liberal Arts institution. With a student-faculty ratio of 11:1, the College is dedicated to
academic excellence within a Christian environment. Students at Georgetown are provided with opportunities for intellectual, spiritual, cultural, social, emotional, and physical growth. Within the framework of the Christian faith, the Georgetown academic experience is complemented by meaningful student life activities and a variety of cultural events.

The city of Georgetown, sister city to Tahara-Chō, Japan, is a historic community located in Scott County. The fastest growing county in the Commonwealth, Scott County has a population of about 50,000 people. Anchored by the Kentucky Horse Park and Toyota Motor Manufacturing Kentucky, Inc., both within five miles of the campus, a variety of area attractions and resources are readily available. Within the greater Lexington metropolitan area, the College is easily accessible by air (at the Lexington, Louisville, or Greater Cincinnati airports) or ground (Interstates 64 and 75) transportation, and is convenient to many major cities in the East, Midwest, and South.

THE SCENIC CAMPUS

Georgetown College is situated on 104 gently rolling acres of beautiful Kentucky Bluegrass, punctuated by an arboretum and 23 varieties of trees which dramatically highlight the seasons. The campus has three antebellum buildings: Giddings Hall (administrative, development, and public relations offices), Pawling Hall (faculty offices and classrooms), and Hightbaugh Hall (registrar and business offices). Twelve additional buildings house various academic, administrative, and student activities and organizations.

The Asher Science Center houses offices and classrooms, laboratories, a computer lab, seminar rooms, a planetarium, and a greenhouse. The Anne Wright Wilson Fine Arts Building houses offices and classrooms, studios, computer graphic facilities, portions of the College’s art collection, and a gallery. The Anna Ashcraft Ensor Learning Resource Center contains print and non-print materials, media collections, the Writing Center, a computer lab, a gourmet coffee shop, and an art gallery. The George H. W. Bush Center for Fitness includes a gymnasium, weight and game rooms, and the Athletic Hall of Fame. The Cradle Student Center contains the offices for Academic Success, Student Life, and the Student Government Association, dining services, the campus grille, bookstore, and radio station. Davis-Reid Alumni Gymnasium seats 1,500 for athletic events and contains areas for intramurals, fitness, and racquetball. The College’s primary chapel/auditorium, Campus Ministry office, student publications,
classrooms, and offices are located in John L. Hill Chapel. Nunnelley Music Building, the Lab Theatre, and Cooke Memorial complement the College’s academic physical plant. The McCandless House contains the office for International Studies, International Student Services, Spanish Immersion, Global Scholars, and Oxford programs. Two residence halls, Anderson and Knight, are located just north of the academic commons, while the South Campus area is the setting for 13 residence halls. Rucker Village and Hambrick Village are two communities of newly constructed townhouse-style residence halls on main campus. On East Campus, the College has four apartment-style residential buildings, a Leadership and Conference Center, and attractive athletic facilities.

ACCREDITATION AND AFFILIATIONS

Georgetown College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate and masters degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Georgetown College.

Georgetown College is accredited by the National Council for the Accreditation of Teacher Education (NCATE) and the Kentucky Education Professional Standards Board for initial and advanced level educator preparation programs. Its affiliations include the American Council of Education, American Association of Colleges for Teacher Education, Association of American Colleges and Universities, Association of Independent Kentucky Colleges and Universities, National Association of Independent Colleges and Universities, Kentucky Independent College Foundation, the Network of Church-Related Colleges and Universities, and the Association of Southern Baptist Colleges and Schools. Additionally, faculty and staff are affiliated with a number of regional, national and international professional organizations.

In compliance with federal law, including provisions of Title IX of the Educational Amendments of 1972 and Section 504 of the Rehabilitation Act of 1973, Georgetown College does not discriminate, either in the admission of students or in the administration of any of its educational policies, programs, or activities on the basis of race, color, national or ethnic origin, sex, gender, age, disability, or veteran/reserve/National Guard status. Inquiries regarding compliance with these laws should be directed to the Office of the Provost.
Offering graduate work as early as 1873 and establishing graduate degrees in education since 1957, today Georgetown College offers one of the largest and oldest graduate programs of its kind in the Commonwealth. This program thrives because of outstanding, caring faculty, and a flexible convenient course schedule at a cost comparable to that of public institutions in the area. In addition, the college’s Christian character extends to its graduate programs.

In contrast to the undergraduate program, most of Georgetown’s graduate students are education professionals who work full-time and accomplish their educational objectives around their work schedules. Consistent with Georgetown’s high quality undergraduate teacher certification program, the primary aim of the Graduate Program is to *develop scholars who are competent and caring educators, committed to a spirit of service and learning.*

To realize this goal, learning experiences center around three knowledge domains: Professional Skills and Competencies, Professional Values and Dispositions, and Reflective Practice. Our courses are taught by full-time faculty of the College and by quality adjunct faculty with specialized experience. A variety of classroom approaches, fieldwork, and independent projects are integral components.

For contact information for specific programs, please see our website at [http://www.georgetowncollege.edu/education/](http://www.georgetowncollege.edu/education/).
GRADUATE PROGRAMS OFFERED

Advanced Programs

Master of Arts Degree with Additional Certification in Special Education (LBD or MSD (pending EPSB approval))

Master of Arts in Education 60 hour Program with Additional Certification in LBD/MSD leading to a Rank 2/Rank I

Teacher Leader Master of Arts degree (with Teacher Leader endorsement) (TLMA) in which candidates have the option to select content specialty coursework that may lead to one of the following additional credentials:

1. Additional endorsement
   - English as a Second Language
   - Gifted and Talented
   - Instructional Computer Technology
   - P-12 Literacy Specialist
   - P-12 Reading
2. Additional teaching certificate
   - Moderate to Severe Disabilities (P-12) (LBD certification required)
3. Cognate (a set of related courses that do not lead to a certificate or endorsement)
   - English as a Second Language
   - Reaching all Students

Master of Arts (leading to Rank I), with an emphasis in School Improvement (a 30-hour planned program of study beyond an initial Master of Arts degree in Education), in which students have the option to select content specialty coursework that may lead to one of the following additional credentials:

1. Additional endorsement
   - English as a Second Language
   - Gifted and Talented
   - Instructional Computer Technology
   - P-12 Literacy Specialist
   - P-12 Reading
2. Additional teaching certificate
   - Moderate to Severe Disabilities (P-12) (LBD certification required)
3. Cognate (a set of related courses that do not lead to a certificate or endorsement)
   - English as a Second Language
   - Reaching all Students
Initial Teaching Certification

Master of Arts in Education degree with initial certification in middle and/or secondary education certification (traditional and alternative routes) (certification areas: Biological Science, Chemistry, English, Mathematics, Physics, Social Studies, P-12 Certification in Art, French, German, Spanish, Instrumental Music, Vocal Music)

Master of Arts in Education with Special Education (P-12) with initial certification (traditional and alternative route)

Master of Arts in Education with Moderate Severe Disability (P-12) with initial certification (traditional and alternative routes)

Master of Arts in Education 60 hour Program with LBD/MSD certification and Rank 2/Rank I

THE GRADUATE ACADEMIC PROGRAM

Advanced Programs

Master of Arts Degree with Additional Certification in Special Education (LBD or MSD (pending EPSB approval))

The Master of Arts degree with certification in Special Education is an online certification program for candidates with a teaching certificate who wish to teach students with mild to moderate learning and behavior disabilities (LBD) or Moderate Severe Disability (MSD) (P-12). The program normally consists of 38 to 42 course hours and generally takes between 18 months to 3 years to complete. Although the majority of candidates taking the Master of Arts with LBD or MSD certification program do so in order to earn a first master’s degree and Rank 2, the MA with LBD or MSD Programs can be taken as a second master’s degree leading to a Rank I.

Teacher Leader Master of Arts Degree

The basic tenet of the Teacher Leader Master of Arts Program at Georgetown College is to empower candidates to become teacher leaders so that they can build capacity within their schools and districts. Through this program, candidates will develop knowledge, skills, and dispositions to be effective educators in their own classrooms and to have the skills to enhance the professional growth of their colleagues and to affect school-wide change. Teacher Leaders judiciously gather and analyze information and data from multiple sources; effectively identify and address students’ learning needs; critically think about how to improve teaching and learning; and cooperatively work with others within and beyond the school to help all students achieve their fullest potential.
This program includes following features:

- An understanding of the dispositions, knowledge, skills, and efficacy required for teacher leadership
- Opportunities for acquiring advanced knowledge in assessment, technological innovations, response to intervention strategies, and best practices for all students [e.g., English Language Learners (ELL), low socioeconomic status (SES) students, gifted/talented students, students with disabilities, culturally diverse learners]
- Opportunities for enhancing the professional development of their peers through collaborative teams
- Opportunities for promoting school improvement through classroom action research and the dissemination of findings
- Continuous reflection on candidates’ professional growth and development as teacher leaders

Although the majority of candidates taking the Teacher Leader Master of Arts program do so in order to earn a first master’s degree and Rank 2, the Teacher Leader Master of Arts Program can be taken as a second master’s degree and lead to Rank I.

In addition to the Teacher Leader core, which includes EDU510, EDU 527, EDU529, EDU545, EDU594, and EDU595, candidates either choose to complete a minimum of 12 credit hours in elective courses related to their individual growth goals or to complete their program while earning endorsements, cognates, or an additional teaching certificate in Moderate/Severe Disabilities.

Teacher Leader Master of Arts (TLMA) Degree with Reading Endorsement (P-12)

The Reading P-12 Endorsement program is designed for teachers who wish to receive additional preparation in the teaching of literacy, and leads to certification in Reading P-12. TLMA Reading Endorsement candidates complete EDU 510, 527, and 529, and a research Capstone Project that focuses on literacy. In addition to these core classes, they complete several specialty courses: EDU 516, 517, 562, and 563. Candidates must pass the P-12 Reading PRAXIS exam to be recommended for the endorsement. Candidates should consult with EPSB to identify the correct Praxis test (and number) to take. All candidates log a minimum of 25 clinical hours in settings across the P-12 age/grade continuum.
Teacher Leader Master of Arts (TLMA) – Literacy Specialist (P-12)
The Literacy Specialist (P-12) program meets the International Reading Association’s guidelines for the preparation of reading specialists and literacy coaches in schools. Because this program prepares candidates for supervisory positions, professional certification is a requirement by the time the program is completed. (Candidates with a Statement of Eligibility can be considered for entrance.) The Literacy Specialist (P-12) program is completed in conjunction with the Teacher Leader Master of Arts (TLMA) degree and requires 33 hours of sequenced coursework in literacy and research. TLMA Literacy Specialist candidates complete a Capstone Project that focuses on literacy. In addition to the other required courses which contribute to the capstone research projects, TLMA Literacy Specialist candidates complete EDU 516, 517, 562, 563, and ENG 526. Candidates must pass the Literacy special PRAXIS exam to be recommended for the endorsement. Candidates should consult with EPSB to identify the correct Praxis test (and number) to take. All candidates log a minimum of 25 clinical hours in settings across the P-12 age/grade continuum.

Teacher Leader Master of Arts (TLMA) – Instructional Computer Technology Endorsement (P-12)
The Instructional Computer Technology endorsement prepares candidates for serving as technology resource teachers, district technology consultants, teacher leaders who competently and effectively use technology in their own classrooms and schools, and as teachers for specific computer-related courses. The endorsement requires 12 hours of technology coursework, which includes EDU 557, 560, and 6 hours of technology electives. Candidates must have completed EDU 527 or a similar technology course prior to being fully accepted in the endorsement program. The Capstone Research for candidates in this program focuses on the use of educational technology in the classroom and is implemented in EDU 595.
Teacher Leader Master of Arts (TLMA) – Gifted/Talented Endorsement (P-12)
The endorsement program in Gifted/Talented Education requires a 12 hours of coursework including EDU 520, 521, 522, and 523. Candidates must pass the specialty Praxis exam to be recommended for the endorsement. Candidates should consult with the Educational Professional Standards Board (EPSB) to identify the correct Praxis test (and number) to take.

Teacher Leader Master of Arts – (TLMA) – English as a Second Language Endorsement (P-12)
The endorsement program in English as a Second Language requires 15 hours of coursework, including EDU 580, 581, 583, 585, and 587 or 589. Candidates must pass the specialty PRAXIS exam to be recommended for the endorsement. Candidates should consult with the Educational Professional Standards Board (EPSB) to identify the correct Praxis test (and number) to take.

Teacher Leader Master of Arts – (TLMA) – Moderate/Severe Disabilities Certification (P-12)
The Teacher Leader program for certification in moderate/severe disabilities is intended to build upon the proficiencies in teacher leadership and special education by extending knowledge of teachers already certified in LBD to meet the needs of students with moderate to severe disabilities.

In addition to the Teacher Leader core, the MSD coursework takes the knowledge and skills learned in an initial LBD certification program a step further. MSD candidates will identify skills and competencies through self-assessments in each of the MSD courses which are connected to Kentucky Teacher Standards, Georgetown Conceptual Framework Standards, and CEC Individualized Independence Standards (IIC). In the ECE 608 fieldwork course, the professional development plan will address self-improvement in each area identified by the candidate. Candidates can build on this in EDU 510 to extend their learning to focus on student achievement, faculty and community awareness of specific disabilities, and connections to overall school improvement plan. The Capstone Action Research Project in EDU 595 will focus on the MSD specialty area. Candidates must pass the specialty Praxis exam for MSD to be recommended for the endorsement. Candidates should consult with EPSB to identify the correct Praxis test (and number) to take. Candidates participate in field hours across the program that exposes them to the needs of MSD students across the P-12 age/grade continuum.
Teacher Leader Master of Arts – (TLMA) – English as a Second Language Cognate

Some teachers earning their Teacher Leadership Master of Arts degree are not interested in earning an ESL endorsement. Instead, they are seeking skills for their everyday classroom needs. The ESL cognate provides the opportunity to acquire these new skills within a prescribed program of study in the area of ESL. This cognate program will not lead to a state-issued ESL teaching certificate and does not require the candidate to take a Praxis exam.

Teacher Leader Master of Arts – (TLMA) – Reaching All Students Cognate

The Reaching All Students cognate focuses on a range of diversity issues. The content covered represents professional skills and knowledge that are in demand in schools and is appropriate for candidates who teach in any grade level.

Candidates take a total of four three-hour courses selected from one of each of the following categories:

| Group 1: | ECE 508 Introduction to Autism  
ECE 600 Introduction to Teaching Students with Multiple Disabilities  
ECE 604 Teaching Students with Physical, Health, and Multiple Disabilities  
ECE 606 Transition for Students with Disabilities |
| Group 2: | EDU 520 Foundations of Gifted Education  
EDU 522 Differentiating for Gifted Learners in the Regular Classroom |
| Group 3: | EDU 580 ESL Teaching Methods and Techniques  
EDU 587 Communicating with Immigrants  
EDU 589 ESL Special Topics |
| Group 4: | EDU 570 Universal Design and Technology  
|         | EDU 606 Educational Technology for the 21st Century Learner  
|         | CSC 522 Implementing STEM in the Classroom through Robotics  
|         | EDU 630 Technology in the Online Classroom |
**Rank One – School Improvement Master of Arts**

The State of Kentucky considers a Rank I program to be a planned program of study submitted by a university or college with 30 hours beyond an initial Master of Arts in Education.

The Rank I – School Improvement Master of Arts program is for educators who desire flexibility, convenience, individual faculty attention and a strong peer support network as they earn a second Master’s degree and advance in teacher leadership roles in their schools and districts.

The Rank I – School Improvement Master of Arts program takes teacher leadership to the a higher level, in that candidates are required to examine various data sources for their school, investigate school needs, and develop and implement a research-based plan for school improvement. In designing and implementing their school improvement plans, candidates are required to work collaboratively with administrators, staff, their SBDM Council, and other stakeholders. This leadership project is comprehensive and requires candidates to examine current educational issues, consult education research, and analyze school data from a variety of sources. Courses required in the Rank I – School Improvement program include EDU 600, 602 or 516, 604, 606 (or appropriate technology elective), 608, and 609. This program follows the same Continuous Assessment Plan as the other advanced programs at Georgetown College. All endorsements, certifications, and cognates contained in the TLMA program are available in the Rank I program. Students simultaneously work on completion of the degree and the “embedded endorsement.”

**Rank I School Improvement Master of Arts – Literacy Specialist P-12**

The Rank I with Literacy Specialist P-12 program is a 30-hour program designed to prepare teachers for coaching and supervisory roles in schools. Courses in the Literacy Specialist P-12 program include EDU 600, 602, 604, 608, and 609, and 15 hours of specialty courses (EDU 516, 517, 562, 563, , and ENG 526). Candidates must pass the P-12 Literacy Specialist PRAXIS exam to be recommended for the endorsement. Candidates should consult with EPSB to identify the correct Praxis test (and number) to take. All candidates log a minimum of 25 clinical hours in settings across the P-12 age/grade continuum.
Rank I School Improvement Master of Arts – Instructional Computer Technology Endorsement P-12

The Instructional Computer Technology endorsement prepares candidates for serving as technology resource teachers, district technology consultants, teacher leaders who competently and effectively use technology in their own classrooms and schools, and as teachers for specific computer-related courses. The endorsement requires 12 hours of technology coursework, which includes EDU 557, 560, and 6 hours of technology electives. Candidates must have completed EDU 527 or a similar technology course prior to enrolling in the endorsement program. The Capstone Research for candidates in this program is related to educational technology and is implemented in EDU 595.

Rank I School Improvement Master of Arts – Gifted/Talented Endorsement P-12

The endorsement program in Gifted/Talented Education requires 12 hours of coursework including EDU 520, 521, 522, and 523. Candidates must pass the specialty PRAXIS exam to be recommended for the endorsement. Candidates should consult with EPSB to identify the correct Praxis test (and number) to take.

Rank I School Improvement Master of Arts – English as a Second Language Endorsement P-12

The endorsement program in English as a Second Language requires 15 hours of coursework, including EDU 580, 581, 583, 585, and 587 or 589. Candidates must pass the specialty PRAXIS exam to be recommended for the endorsement. Candidates should consult with EPSB to identify the correct Praxis test (and number) to take.

Rank I School Improvement Master of Arts – Moderate/Severe Disabilities Certification P-12

The Rank I School Improvement Master of Arts with certification in moderate/severe disabilities is intended to build upon the proficiencies in teacher leadership and special education by extending knowledge of teachers already certified in LBD to meet the needs of students with moderate to severe disabilities. A prerequisite to this program is certification in Learning Behavior Disorders (LBD).

In addition to the Rank I core, the MSD coursework takes the knowledge and skills learned in an initial LBD certification program a step further. MSD candidates will identify skills and competencies through self-assessments in each of the MSD courses which are connected to Kentucky Teacher Standards, Georgetown Conceptual Framework Standards, and CEC Individualized Independence Standards (IIC). In the ECE 608 fieldwork course, the professional development plan will address
self-improvement in areas identified by the candidate. Candidates can build on this in ECE 600 to extend their learning to focus on student achievement, faculty and community awareness of specific disabilities, and connections to overall school improvement plan. The Capstone School Improvement Project in EDU 609 will be related to the MSD specialty area. Candidates must pass the specialty PRAXIS exam to be recommended for the certification. Candidates should consult with EPSB to identify the correct Praxis test (and number) to take.

**Rank I School Improvement Master of Arts – English as a Second Language Cognate**

Some teachers earning their Rank I are not interested in earning an ESL endorsement. Instead, they seek skills for everyday classroom needs. The ESL cognate provides the opportunity to acquire these new skills within a prescribed program of study in the area of ESL. This cognate program will not lead to a state-issued ESL teaching certificate and does not require the candidate to take a Praxis exam.

**Rank I School Improvement Master of Arts – Reaching All Students Cognate**

The Reaching All Students cognate is an additional cognate that focuses on a range of diversity issues. The content covered represents professional skills and knowledge that is in demand in schools, and is something all general educators would benefit from and often are not exposed to (i.e., ELL students, universal design for lesson planning and IEP’s, etc.)

Candidates take a total of four three-hour courses selected from one of each of the following categories:

| Group 1: | ECE 508 Introduction to Autism  
ECE 600 Introduction to Teaching Students with Multiple Disabilities  
ECE 604 Teaching Students with Physical, Health, and Multiple Disabilities  
ECE 606 Transition for Students with Disabilities |
| --- | --- |
| Group 2: | EDU 520 Foundations of Gifted Education  
EDU 522 Differentiating for Gifted Learners in the Regular Classroom |
Group 3:  
EDU 580 ESL Teaching Methods and Techniques  
EDU 587 Communicating with Immigrants  
EDU 589 ESL Special Topics

Group 4:  
EDU 570 Universal Design and Technology  
EDU 606 Educational Technology for the 21st Century Learner  
CSC 522 Implementing STEM in the Classroom through Robotics  
EDU 630 Technology in the Online Classroom

Initial Teaching Certificate

Master of Arts Degree with Initial or Alternative Certification

The Master of Arts with Initial Certification (Traditional or Alternative Route) leads to teacher certification for candidates who hold a certifiable major in one of the following areas:

Secondary Certification (may extend to Middle Grades 5-9, if desired)
- Biological Science  
- Chemistry  
- English  
- Mathematics  
- Physics  
- Social Studies

P-12 Certification
- Art  
- French  
- German  
- Spanish  
- Instrumental Music  
- Vocal Music

Two certification programs are offered

The Alternative-Route Program: This program is designed for those currently teaching under temporary provisional certificates. Required courses include: EDU 506, 529, 532, 535, 536, 542, ECE 502, EDU 565, 602, 594, 595, and 623 (as needed for alternative certification mentoring) for a total of 40-43 hours.

The Initial-Route Program: This program results in teacher certification
for candidates who have little or no prior education coursework or background. Required courses include: EDU 506, 529, 532, 535, 536, 542, ECE 502, EDU 602, 552, 565, 594, 595, and 622 (as needed for field placement hours) for a total of 45-46 hours.

Final course sequence and requirements are determined individually in consultation with the program coordinator of Initial or Alternative Certification program, based on prior course work and experience.

**Master of Arts Degree in Special Education (P-12)**
The Master of Arts degree with Certification in Special Education is an online certification program for candidates with a bachelor’s degree (with or without teacher certification) who wish to teach students with mild to moderate learning and behavior disabilities (LBD). The program consists of 38 to 42 course hours and generally takes between 18 months and 3 years to complete.

Two certification programs are offered
Initial Certification / Alternative Route: Teacher certification for provisionally certified teachers. This program is designed for candidates with no prior education degree/teacher certification and who are currently teaching under temporary provisional certificates.
Initial Certification / Traditional Route: Teacher certification for candidates who have little or no prior education coursework or background

**Master of Arts Degree in Moderate / Severe Disabilities (P-12)**
The Master of Arts degree with Certification in Moderate / Severe Disabilities is an online certification program for candidates with a bachelor’s degree (with or without teacher certification) who wish to teach students with moderate to severe disabilities (MSD). The program consists of 38 to 42 course hours and generally takes between 18 months and 3 years to complete.

Two certification programs are offered
Initial Certification / Alternative Route: Teacher certification for candidates with no prior education degree/teacher certification and who are currently teaching under temporary provisional certificates.
Initial Certification / Traditional Route: Teacher certification for candidates who have little or no prior education coursework or background.
Master of Arts Degree in LBD and MSD Leading to Rank 2 and Rank I One Certification

Special Education teachers in Kentucky instruct students with a variety of disabilities. Georgetown College has responded to this need to equip excellent teachers to teach LBD (Learning and Behavioral Disorders) and MSD (Moderate/Severe Disabilities) students by creating a unique dual certification program. Through this 60 - 63 hour program, completers will earn a MA in Education with LBD certification (Rank 2) and MSD certification (Rank I). See information about the LBD and MSD programs for specific courses and certification requirements.

THE GRADUATE ADMISSION PROCESS

Graduate programs are offered through a cohort system. Applications for admission to the Graduate program are considered upon completion of the application process. The application may be accessed through our website (http://www.georgetowncollege.edu/education). Students who are admitted into the Graduate Education program progress through various checkpoints and must meet certain requirements at the various checkpoints to proceed in the program. These checkpoint requirements vary by program and are outlined on the curriculum contract for each program.

Advanced Applicants

For advanced (certified) applicants: Minimum GPA 2.75 or minimum 3.0 GPA for last 30 hours of coursework. Applicants who hold a master’s degree with a cumulative GPA of at least a 3.0 from a regionally accredited institution of higher learning may be admitted without regard to undergraduate transcripts. Applicants who have not earned a graduate degree, but who present a graduate transcript from a regionally accredited institution containing at least twelve (12) hours of coursework with a grade point average of 3.5 or better, may be considered for graduate admission on the basis of these grades in lieu of the undergraduate GPA.

Applicants who don’t meet the above GPA requirements must successfully complete the Graduate Records Exam (GRE) with the following corresponding scores:

1) Verbal with a minimum score of 450 (old scale) or 150 (new scale);
2) Quantitative with a minimum score of 490 (old scale) or 143 (new scale); and
3) Analytical Writing with a minimum score of 4.0.
For most advanced applicants, admission decisions can be made with an application, an official college transcript, a copy of a current teaching certificate, a completed Kentucky Code of Ethics form, a FERPA form, a writing sample, and two completed Program Entry Recommendation forms.

Some programs may require different or additional admissions criteria. This criteria is listed below:

**Moderate / Severe Disabilities Additional Certification:** Requires KY teaching certification in LBD.

**Rank I School Improvement MA:** No writing sample and only one Program Entry Recommendation is required.

**Initial Teacher Certification Applicants**

A bachelor’s degree or advanced degree awarded by a regionally accredited college or university with a cumulative grade point average of 2.75 on a 4.0 scale; or a grade point average of 3.00 on a 4.0 scale on the last thirty (30) hours of credit completed, including undergraduate and graduate coursework.

**Assessment Requirements:** either (a) or (b) below:

(a) **Admissions after September 1, 2014:** Successful completion of the Praxis Core tests, the Praxis Core Academic Skills for Educators: Reading; Core Academic Skills for Educators: Writing; and Core Academic Skills for Educators: Mathematics with the corresponding minimum score:

1) Praxis Core Academic Skills for Educators (CASE): Reading (5712) = 156
2) Praxis Core Academic Skills for Educators (CASE): Writing (5722) = 162
3) Praxis Core Academic Skills for Educators (CASE): Mathematics (5732) = 150

Always consult with the Education Professional Standards Board to verify the required exams and cut scores required for admission to teacher education programs.
Successful completion of the Graduate Record Exam (GRE) with the following corresponding scores:

1) Verbal with a minimum score of 450 (old scale) or 150 (new scale);
2) Quantitative with a minimum score of 490 (old scale) or 143 (new scale); and
3) Analytical Writing with a minimum score of 4.0.

The online application contains the documents required to complete a Graduate Education student application file. Links to the online application can be found at the Graduate Education website, [http://www.georgetowncollege.edu/education/admissions](http://www.georgetowncollege.edu/education/admissions). Specific program requirements for applications are listed below.

When a candidate in an initial (traditional or alternative certification) program wishes to exit the program and enter another initial (traditional or alternative certification) program, all current admissions criteria must be met. Original application materials may be accepted in lieu of new application materials at the discretion of the Graduate Admissions Office.

**The Application Process**

**Teacher Leader Master of Arts (For Candidates Who are Already Certified)**

Complete application online at: [http://www.georgetowncollege.edu/education/admissions/](http://www.georgetowncollege.edu/education/admissions/). A $50 application fee is required in order to be considered for admission.

- Forward one official transcript of all undergraduate and graduate coursework to: Graduate Education Admissions, Georgetown College, 400 E. College St., Georgetown, KY 40324. The undergraduate and graduate coursework/degrees must be from a regionally accredited institution and must be posted on the transcript. If you are requesting an electronic transcript, please send to grad@georgetowncollege.edu.
- Two Program Entry Recommendation/Evaluations completed by: 1) your school principal; and 2) a peer teacher (found in the online application)
- Signed copies of the Kentucky School Personnel Code of Ethics and the confidentiality (FERPA) form (found in the online application)
- Writing sample in the form of a letter to the Associate Dean of Education (instructions found in the online application)
• If certified to teach outside of Kentucky, a photocopy of a valid Teaching Certificate or Statement of Eligibility, (if applying for TLMA with MSD certificate, must hold LBD certification).

Rank I, School Improvement Master of Arts

Complete application online at: http://www.georgetowncollege.edu/education/admissions/. A $50 application fee is required in order to be considered for admission.

• Forward one official transcript of all graduate coursework to: Graduate Education Admissions, Georgetown College, 400 E. College St., Georgetown, KY 40324. The graduate coursework/degrees must be from a regionally accredited institution and must be posted on the transcript. A minimum graduate GPA of 3.00 is required for entrance into the Rank I program. If you are requesting an electronic transcript, please send to grad@georgetowncollege.edu.

• If certified to teach outside of Kentucky, please provide 1) a photocopy of a valid Teaching Certificate or Statement of Eligibility; (2) evidence of a passing score on the appropriate PRAXIS specialty exam and PRAXIS PLT; and 3) evidence of one year of teaching experience.

• One Program Entry Recommendation/Evaluation completed by your school principal or another administrator (found in the online application)

• Signed copies of the Kentucky School Personnel Code of Ethics and the confidentiality (FERPA) form (found in the online application).

Master of Arts with Initial or Alternative Certification in Middle/Secondary/P-12 Education

Complete application online at: http://www.georgetowncollege.edu/education/admissions/. A $50 application fee is required in order to be considered for admission.

Requirements:

• Two Program Entry Recommendation/Evaluations forms completed by: 1) an individual who is familiar with your subject matter competency; and 2) an individual who is familiar with your rapport with children/youth.

• Typed personal statement essay of 300-500 words that demonstrates your knowledge of and experience with issues
facing schools today. You may use the Kentucky Teacher Standards (www.epsb.ky.gov/teacherprep/standards.asp) as a template.

- A written Human Relations Incident (instructions included in online application)
- Read, sign, and return the Kentucky School Personnel Code of Ethics and confidentiality form (FERPA) found in the online application
- Forward two official transcripts of all undergraduate and graduate coursework to: Graduate Education Admissions, Georgetown College, 400 E. College Street, Georgetown, KY 40324. The undergraduate and graduate coursework/degrees must be from a regionally accredited institution and must be posted on the transcripts. If you are requesting an electronic transcript, please send to grad@georgetowncollege.edu.

Once all above materials have been received, candidates will be asked to schedule an interview with a program advisor to complete the application and evaluation process. This interview is an integral component of the admissions process and must be scheduled well in advance of the proposed enrollment date.

**Master of Arts in Special Education (LBD or MSD) Initial, Alternative, and Advanced Certification**

Complete application online at: http://www.georgetowncollege.edu/education/admissions/. A $50 application fee is required in order to be considered for admission.

- Two signed Program Entry Evaluations completed by: 1) a principal, professor, or former supervisor; and 2) an educator or individual who is familiar with your rapport with children/youth.
- Read, signed and returned the Kentucky School Personnel Code of Ethics and confidentiality form (FERPA) found in the online application.
- Writing sample in the form of a letter to the Associate Dean of Education (instructions found in the online application)

Forward two official transcripts of all undergraduate and graduate coursework to: Graduate Education Admissions, Georgetown College, 400 E. College St., Georgetown, KY 40324. The undergraduate and graduate coursework/degrees must be from a regionally accredited institution and must be posted on the transcript. If you are requesting an electronic transcript, please send to grad@georgetowncollege.edu.
Special Students
A student who desires to take courses and who either does not intend to become a candidate for the Master’s degree, or does not meet the entrance requirements for a degree program, may enroll as a special student. Students desiring to take graduate courses for one or more of the reasons listed below are classified as special students in the following categories:

Category 1 (SP1): Students taking additional courses for professional development or to renew an expired teaching certificate separate from admission to a degree program. Students may take unlimited courses under this category, however only 6 hours may be transferred into a degree or endorsement/certification program (see Transfer Credits policy).

Category 2 (SP2): Students beginning a graduate program while awaiting receipt of required admission criteria (i.e., a valid teaching certificate, a transcript with posted degree, or official notification of a passing GRE or PPST score)

Category 3 (SP3): Students earning an endorsement or certification separate from a degree

Category 5 (SP5): Student pursing a cognate separate from a degree

For the special student category, the entrance requirements are:

If seeking an endorsement or certification (SP3) or cognate (SP5) all criteria for admission to the endorsement, certification, or cognate sought must be met. See admissions requirements in the Advanced Applicants admissions criteria above.

If seeking admission to a graduate program (SP2), all criteria for admission, with the exception of the criteria that precluded regular admission, must be submitted. Refer to the admission criteria listed in this catalog or on the Graduate Education website (http://www.georgetowncollege.edu/education/).

Students in Special Student category 2 are limited to 9 hours of coursework under special student status. Students in Special Student category 3 (endorsement or certification only) and category 5 (cognate only) are limited to coursework in that endorsement, certification, or cognate area.
Visiting Students
An applicant who is enrolled in a graduate program at another institution may enroll for courses as a visiting student. The prospective visiting student should submit:

- An application form (available on the Graduate Education Website (http://www.georgetowncollege.edu/education/admissions)
- A signed Professional Code of Ethics and FERPA form (contained in online application)
- Written permission letter from your current program advisor to register including the specific course(s) for which you are approved. This may be sent in the form of an email sent to the Graduate Education Office at grad@georgetowncollege.edu.

Visiting students will be allowed to take only the class(es) indicated on the permission letter from their program advisor. At the completion of the course, the student will be provided a letter of completion.

Undergraduate Students
Applicants who are in their last semester before graduation may be permitted to enroll as a special student (SP1) provided the academic schedule does not exceed 16 total semester hours with no more than 6 hours of graduate courses. Only students who demonstrate outstanding scholastic ability will be considered. Professional requirements, including student teaching, must have been completed. Undergraduates who want to request permission to take graduate courses under these circumstances should call or e-mail the Associate Dean of Education.

International Students
International students who meet specific program requirements for whom Georgetown College has appropriate programs at the graduate level are invited to make application to the Graduate Education program. Such applications must be supported by satisfactory evidence of qualifications to pursue a full course of study at this institution. Applications for admission of international students are not considered complete without official transcripts showing grades and degree(s) awarded, (see www.naces.org) for evaluation of international transcript, official Test of English as a Foreign Language (TOEFL) scores, scores on the verbal, quantitative, and analytical portions of the Graduate Record Examination (GRE), and Declaration and Certification of Finances.
Georgetown’s minimum acceptable score on the TOEFL is 550 (paper-based) 213 (computer-based), or 79 (internet-based).

International students are required to complete their admission procedures at least 30 days prior to the term in which they expect to enter. Appropriate 1-20 or DSP-66 forms will be issued after all official credentials have been received and the complete application has been reviewed and approved by the Assistant Dean of Graduate Admission. The U.S. Immigration and Naturalization Service requires certification that all standards for admission have been met before the 1-20 form is issued.

**English Language Learners (ELL)**

Student who have acquired English as a Second Language are required to meet all of the admission requirements for entrance into the Graduate Education Program. In addition, they must submit official Test of English as a Foreign Language (TOEFL) scores demonstrating proficiency in English. If the student can demonstrate English language competence of reading and writing through documentation of completion of another U.S. college program, and an interview with the Associate Dean of Education (or designee) validates competence, the student may be admitted without official TOEFL scores.

**ACADEMIC POLICIES AND REGULATIONS**

It is the responsibility of the graduate student to become thoroughly informed about the general regulations as stated in this catalog and in the Graduate Student Handbook linked on the Georgetown College Portal (my.georgetowncollege.edu). This Handbook outlines all college policies and regulations as well as grievance procedures for graduate students while enrolled at Georgetown College. The Handbook is updated regularly as new policies are implemented, and therefore is generally more current than the college catalog.

The graduate student is responsible for completing all program requirements within the permitted time limit. Academic policies of the Graduate Education program are made and enforced by the Graduate Academic Curriculum and Policy Committee (GACPC). Requests for clarification or exceptions to these policies must be made through the Associate Dean of Education to this body.

Graduate study is generally more research oriented and more specialized and in-depth than undergraduate education. Graduate students are
expected to show maturity and resourcefulness and to accept the responsibility of meeting the demands of challenging course work. They are also expected to have organized and disciplined work habits that maximize success in demanding courses.

A candidate is admitted to the pool of accepted applicants after she/he has submitted all required materials to the Graduate Admissions Office, completed an online application, and when the materials have been reviewed and approved by the Associate Dean of Education. Formal admission occurs after the student has completed the required orientation advising session, signed a curriculum contract and completed registration. Admission allows the student to take initial coursework and to receive financial aid. Formal admission and continuous progress requirements vary by program. Successful scores on all program assessments, meeting requirements at the various checkpoints, a 3.0 GPA, and compliance with the qualitative standards for coursework are also requirements for the degree.

**Academic Appeal Procedure**

Candidates have a right to appeal a grade or other faculty decision. Candidates should first seek to resolve the problem with the specific faculty member involved. If a candidate wishes to lodge a complaint against a faculty member in an academic matter that cannot be resolved directly with the faculty member, the candidate should first consult with his/her academic advisor. The advisor will guide the candidate through the options available to the candidate (informal or formal complaint). When there is an informal expression of an academic concern, the candidate’s faculty advisor should convey the essence of that concern to the Associate Dean of Education, who will investigate the issue. The Associate Dean will take any necessary action to help resolve the issue. If the faculty member in question is the Associate Dean of Education, the advisor will convey the nature of the concern to the Dean of Education, who will investigate the issue and take any necessary action to help resolve the issue. If the faculty member in question is the candidate’s advisor, the candidate should contact the Associate Dean of Education for resolution of the problem.

Formal complaints should be reserved for situations in which a candidate believes he or she has been adversely affected in a way that cannot be or has not been resolved through informal intervention. When the candidate wishes to lodge a formal complaint, the candidate should generally seek advice from his/her academic advisor about the best way to proceed (unless the advisor is the focus of the complaint). To make a formal complaint, the candidate must submit a written statement of the difficulty
to the Associate Dean of Education and request that the issue be resolved through the Graduate Academic Curriculum and Policy Committee. This statement should be no longer than two pages and should concentrate on the facts of the issue in question.

The Associate Dean of Education then reviews the facts, communicates with the person(s) involved, and attempts to resolve the difficulty to the candidate’s satisfaction. If that attempt is unsuccessful, the matter will be forwarded to the Graduate Academic Policy and Curriculum Committee for review. The Committee will review the facts of the grievance and make a recommendation to the Provost for resolving the problem. The final disposition of the issue is in the hands of the Provost and is final and binding.

**Administrative Drop Policy**

Faculty teaching face-to-face courses may request an administrative drop for a candidate who fails to attend class and fails to contact the instructor after two class sessions. Faculty teaching online or blended courses may request an administrative drop for a candidate who fails to submit assignments and engage in required dialogue sessions for a period of two class sessions. The Graduate Office will send a written notification to the candidate prior to the administrative drop. The final decision to administratively drop a candidate will be made by the Provost after consultation with the candidate’s advisor, the Associate Dean of Education, the Business Office, and the Financial Aid Office. The effective drop date will be the date the candidate last participated in the class.

**Advising**

Each graduate student will be assigned to a selected graduate faculty advisor. Students are urged to meet with this advisor shortly after admissions to map out a plan for program completion.

**Certification Procedure**

NOTE: All policies are subject to change per EPSB regulations.

It is the student’s responsibility to read and comply with the following policies and procedures concerning certification:

- All Certifications are granted by the Kentucky Education Professional Standards Board (EPSB).
- Applications for certification are processed by the Georgetown College Education Certification Office in accordance with EPSB regulations.
- Students must sign the certification application. The CA-1 application cannot be processed until all program requirements
have been successfully completed and the formal Degree Audit is conducted.

Note: The EPSB charges the student a fee for processing the CA-1 application BEFORE issuing the new certificate. This is the student’s responsibility. The Georgetown College Certification Office does not accept money orders/cashier’s checks for the EPSB.

Class Attendance
Class attendance is considered to be a key to successful academic performance. Individual faculty and programs may establish specific expectations regarding face-to-face class attendance and online class participation, and these are addressed early in the course of instruction. Some online graduate programs or courses will require limited face-to-face meetings. Attendance is expected at these meetings.

Comprehensive Examination
In addition to the continuous assessment requirements, candidates are required to submit a final assessment at the conclusion of their program that demonstrates that they satisfactorily meet all Kentucky Teacher standards, Georgetown College Conceptual Framework standards, and specialty standards. Details of this requirement are provided during the exit conference. Initial certification programs and some endorsement and certification only programs also require that students pass certain PRAXIS exams prior to being formally admitted to and/or exited from the program.

Confirming Enrollment
Candidates confirm enrollment for on campus, blended (face-to-face at least ¼ but no more than ½ of the sessions), or online courses by attending the first class session (face-to-face or blended) or by logging on to the Moodle online class site on the first day of class and completing the first day of class instructions (online). Candidates who do not confirm enrollment by the enrollment verification deadline will be automatically dropped from the course. Also see Registration Confirmation Policy.

Continuous Progress
As candidates progress through a specific program, they are required to successfully complete specified major performance assessments. These assessments are completed in specific courses, and measure the candidate’s competence in meeting state, program (Conceptual Framework), and specialty standards. Major assessments are used both to track the progress of individual candidates, and to inform the unit of any program weaknesses that need to be addressed. Candidate performance on various major program assessments, along with other criteria used to assess progress, is formally evaluated at various checkpoints, and
candidates are provided with formal feedback on their progress at these junctures. Candidates who fail to meet minimal requirements for passing a particular assessment are required to meet with the course instructor and devise an action plan. All major assessments must be satisfactorily completed before the candidate can graduate from the program. Candidates must also complete the major assessments designated at each program checkpoint before progressing to the next sequence of courses. Candidates must adhere to course sequence and priority checkpoints before advancing in a MA program.

In addition, all candidates enrolled in the Graduate Education program must demonstrate the professional dispositions expected of teacher candidates as outlined in the program’s Conceptual Framework. Candidates’ dispositions are assessed upon program entrance and also throughout the program at each checkpoint. When a candidate’s dispositions are inconsistent with the Conceptual Framework, faculty submit a “Dispositions Evaluation-Record of Concerns” specifying the specific concern(s) for which the candidate is being referred. Candidates who fail to meet program standards are required to meet with their academic advisor and the Associate Dean of Education to develop an action plan and address all areas of weakness. The Conceptual Framework of the Georgetown College Teacher Education Program includes standards on the moral and ethical dispositions of candidates. If at any time during the program a candidate is found to be in violation of the Honor System at Georgetown College, such violation will be taken to the Vice President for Student Life and the Associate Dean of Education for resolution. For severe infractions, sanctions may include expulsion from the program. Infractions are outlined in the Graduate Student Handbook and include cheating, plagiarism, stealing, lying, and double assignments (the use of one assignment to fulfill the requirements of more than one course).

Candidates who are enrolled in an initial program at the graduate level and who wish to maintain their temporary provisional certificate must be continuously enrolled; that is, they must take classes during the terms in which they are being employed as teachers. The Kentucky Teacher Internship Program (KTIP) will count as continuous enrollment, if the candidate has completed the required course work, for the purposes of maintaining the temporary provisional certificate. Special circumstances will be reviewed by the Program Coordinator and recommended for approval by the Associate Dean of Education.

**Degree Application and Graduation Information**
Granting the Master of Arts degree and/or certification requires successful
completion of all coursework and all required program performance assessments that demonstrate proficiency on the Kentucky Teacher Standards and the Georgetown College Teacher Educator Conceptual Framework Standards. Exit requirements vary depending upon the specific program. For initial certification programs, teacher certification is recommended upon successful completion of all program requirements.

Students who plan to complete degree requirements by December, May and/or August of a given calendar year should make arrangements for degree completion and graduation by completing the online degree application. This application will be available on the portal.

Prior to graduation candidates are required to:

- Complete the online degree application form
- Attend an ‘Exit Conference’ (either virtually or face-to-face)
- Communicate with an advisor to confirm graduation requirements
- Complete all necessary paperwork required for graduation and for teaching certificate
- Complete all coursework, required major assessments, and program exit requirements

Graduation exercises are held in May and December and all candidates for graduate degrees are highly encouraged to participate.

**Dropping a Course**

Students may drop a course without a grade being assigned prior to the first drop date of the semester. After the first drop date, a “W” grade will appeal on the transcript. Students may not drop a class after the final drop date of the semester.

Dropping a course or failure to attend once a class has started will incur a portion of the tuition charge as well as the drop fee. Calculation of refund (if any) is determined by the effective drop date.

**Last date to drop a course without the grade “W”:**

<table>
<thead>
<tr>
<th>Semester</th>
<th>Last Drop Date</th>

Final date to drop a course:

- Fall 1 2015: Wednesday, September 30
- Fall 2015: Thursday, November 12
- Fall 2 2015: Tuesday, November 24
- Spring 1 2016: Wednesday, February 17
- Spring 2016: Tuesday, March 29
- Spring 2 2016: Friday, April 8
- Summer 1 2016: Friday, June 3
- Summer 2 2016: Wednesday, July 27

Dropping Out of the Program

Candidates who intend to drop out of the Graduate Education program for a period longer than a year should send an official notification to the Associate Dean of Education. Candidates who drop out of the program, either by notifying the Associate Dean of Education or as a result of not enrolling in coursework for a period of eighteen months or more, and who wish to return, must be readmitted to the program. In order to register for classes, inactive candidates must submit a new application and all currently required materials. In order to be re-admitted, candidates must meet all current admissions requirements. When moved back to active status, candidates may be required to attend an advising session and review/update their curriculum contract as part of the readmission process. No courses that extend beyond the required time period for program completion will be counted toward the degree.

Georgetown College Honor System

The Graduate Education program adheres to all policies governing the Honor System. Violations of the Honor System include cheating, plagiarism, stealing, lying (in academic matters), and double assignments, and are subject to college sanctions. (See information under “Continuous Progress.”) Procedures and processes relating to these policies, including the right of appeal, are included in the Graduate Student Handbook.

Georgetown College Technology Ethics Policy

The Graduate Education program adheres to all of the principles outlined in the Technology Ethics Policy. A statement of the policy, enforcement of the policy, and guidelines for use of computing resources including the internet, worldwide web, email, and related networks are included in the Graduate Student Handbook.
Grades and Scholarship Standards

**Grading**

The Graduate Education grading system is as follows:
A (93-100) (Excellent), B (85-92) (Satisfactory), C (75-84) (Minimally acceptable), F (below 75) (Unacceptable), I (Incomplete*), IP (In Progress*), P (Passing *), W (Withdrawn*), AU (Audit*).

* Not figured in computing the grade point average.

**Completion Requirements**

All students are expected to maintain a grade point average of 3.0 which is the minimum required for graduation. A grade lower than a “C” will not be used for graduate credit in any program. A grade of “I” (Incomplete) must be converted by the assigned due date, but no later than the last day of class of the next semester (spring, summer, fall), or the “I” automatically becomes an “F”.

**Probation**

Students with a GPA below 3.0 after attempting at least 8 hours of course work will be placed on probation. Failure to raise the overall grade point average to the required level of 3.0 within the next 12 semester hours of enrollment (including summer terms) or earning a grade less than a “B” during the probation period will result in suspension from Georgetown College for a period of one year. Students who are making satisfactory progress and have raised their GPA to at least a 2.8 after 12 semester hours of probationary status may make appeal to the Associate Dean of Education to continue the probationary period for an additional 6 credit hours. No student will be allowed to continue on probationary status beyond 18 credit hours from the time that the probation period began.

**Suspension**

Failure to raise the overall grade point average to 3.0 at the end of the probation period will result in suspension from Georgetown College for a period of one academic year. Having served the suspension, the student may apply for reinstatement to the Graduate Education program, and must meet all current admissions criteria. After returning from suspension, the student will be placed on probation. A second suspension will be final. During the suspension period, no credit earned by the student at any institution will be honored by Georgetown College.
**Academic Bankruptcy**

The Graduate Education department does not permit a student to petition for Academic Bankruptcy status.

**Graduate Academic Curriculum and Policy Committee (GACPC):**

The Graduate Academic Curriculum and Policy Committee is the governing board of the Graduate Education Program. The Graduate Academic Curriculum and Policy Committee admits or rejects candidates to the Master of Arts in Education Program and to degree candidacy, recommends and approves program changes, and evaluates the Graduate Education Program. The Committee also serves as a review board in student academic matters, and approves new courses, programs, assessment system revisions, and policy changes. Membership includes the Provost, Associate Dean of Education (Chair), Dean of Education, two Graduate Faculty members, and two undergraduate faculty members, preferably who teach in the Graduate Education program.

**Graduate Advisory Council (GAC)**

The Graduate Advisory Council serves as the advisory board of the Graduate Education Program. The Graduate Advisory Council reviews new courses, programs, assessment systems, accreditation issues, and policy changes. The Graduate Advisory Council is composed of the members of the Graduate Academic Curriculum and Policy Committee, two P-12 classroom teachers, two school administrators or their designated representatives, and one or two graduate students recommended by the Graduate Faculty. The Associate Dean of Education, who serves as chair of the Graduate Academic Curriculum and Policy Committee, is chair of the Graduate Advisory Council.

**Graduate SAP Policy**

In order to meet Satisfactory Academic Progress for financial aid purposes, Graduate Education students must meet the following academic criteria:

**Credit Hours** - Student must earn at least 6 hours in the previous 3 terms (Fall/IT, Spring, Summer)

**Cumulative GPA** - Students must be in good academic standing (or, if on probation, must be meeting progress towards regaining good academic standing) as delineated in the Graduate Catalog.

**Maximum Time** - Each student signs a curriculum contract that specifies the time allowed to complete the degree or program. The student must be able to finish the degree within the time frame allowed.

**Failure to Complete Enrolled Courses** - A student who enrolls in the Graduate Education program at Georgetown College, and fails to earn any
credit for the immediately prior two consecutive terms, i.e., receives a 0.0 term GPA, or withdraws from all courses two consecutive terms prior to the current term (i.e., fall and spring, summer 1 and summer 2, etc.) is not eligible for future financial aid without an approved SAP appeal.

**Review and Appeal Procedure:** Students may establish an academic plan with approval of the Associate Dean of Education and the Department of Financial Planning. Based on approved forward-progress goals, satisfactory academic progress for financial assistance may be approved and aid re-established.

The following procedure is required and is separate from academic procedures:

An appeal and/or academic plan should be established (as noted above) and sent to the Director of Student Financial Planning prior to the start of the academic period for which aid consideration is requested.

Student’s satisfactory academic progress will be reviewed at the end of each academic/payment period to ensure forward progress is being made and academic goals are met. In the event the academic plan goal is not reached, the student will not be permitted to receive Title IV funding. The Director will review the appeal and notify the student accordingly.

Re-establishing Satisfactory Progress. To have financial assistance reinstated, students must take the hours required to bring them up to the standard at their own expense.

**Inactive Status**
Candidates who have not registered for classes for eighteen months will be placed in inactive status. Candidates who have not registered for classes for seven years will be withdrawn.

In order to register for classes, inactive candidates must submit a new application form. In order to be readmitted, all current admissions criteria must be met. When moved back to active status, candidates may be required to attend an advising session and review/update their curriculum contract as part of the readmission process.

**Independent Study**
Students who wish to enroll in an Independent Study (or in rare cases, a Course by Arrangement) are required to submit a proposal using the form designed for this purpose; and must obtain the approval of the Associate Dean of Education prior to registering for the course.

Candidates in the Teacher Leader Master of Arts or Rank I, School Improvement program may take independent study courses as part of
required electives, as determined with their advisor and listed on the curriculum contract. The Arts and Sciences faculty may request to utilize a pass/fail grade for independent study courses related to these programs. Faculty will outline on the Independent Study form the course requirements and the specifics for earning a pass/fail grade. A passing grade adds credit hours but no quality points. A failing grade will be included in GPA calculation. Forms can be obtained in the Graduate Education Office.

**Post Baccalaureate Courses**

Courses taken at Georgetown College after the completion of the Bachelor’s Degree, but prior to admission to a graduate program, or while in a Special Student 1 (SP1) status, may only be eligible to transfer courses into a degree program as indicated in the Transfer of Credits policy.

**Registration Confirmation**

To complete registration for classes, students must confirm their registration by paying charges in full or making arrangements to pay the bill in installments. Both methods require contact with the Georgetown College Business Office. Course registration will be cancelled for students who do not confirm registration through financial arrangements by the deadline determined by the business office. Each student will be subject to the refund schedule and fees.

**Repeat Policy**

A candidate may repeat (to remove the quality points and credit hours) courses taken at Georgetown College in which grades below a “B” were earned, as long as the courses are repeated at Georgetown College. An individual course may be repeated no more than two times (i.e. original course enrollment and two repeated attempts).

The Registrar shall calculate the grade point average on the basis of the grade earned the last time the course was taken. The original grade for the repeated class will remain on the transcript but will not be counted toward GPA or graduation hours.

**Research Study Requirements**

Throughout their graduate study, most candidates will be required to conduct one or more research projects. Many research studies require the approval of the Institutional Review Board (IRB) prior to the initiation of the proposed research. For additional information, contact the course instructor. IRB approval forms can be downloaded from the college website.
Student Load

Students enrolled for at least six semester hours are considered full-time. For the purposes of federal aid, enrollment in three semester hours is considered half-time. Students who are enrolled in the Teacher Leader Master of Arts program, LBD program, or as a Special Student, and who are employed full-time may not enroll for more than two courses or 6 hours per semester (whichever is less) during the term of their employment. This regulation does not apply to candidates who are enrolled in the MA-Initial or Alternative Certification program; however, the program chair must approve the additional hours. LBD students are allowed to take two courses per semester, except for the winter session where only one course is allowed. At any given time, a student may only be enrolled in either a 15 week term or a 7 week term.

Time Limitation

Time limitations for program completion vary by program, and are noted on the curriculum contract.

Transfer of Courses

Candidates who have transferred from one program to another program may transfer appropriate courses from the original program into the new program as long as the courses are within the time limit for program completion and are approved by the candidate’s advisor, appropriate program coordinator, or the Associate Dean of Education.

Transfer of Credits

Candidates enrolled in a graduate degree program are permitted to transfer up to 12 hours of graduate credit from another regionally accredited institution, or six hours from post baccalaureate or special student one status at Georgetown College.

All credits must be current (within the required time line or “window” for graduate study), must meet the equivalent syllabus of a Georgetown College course, and must have been earned from a regionally accredited graduate school. A course may not be transferred into a degree program that was used as a required course for a previously completed degree. Transfer credits must be approved by the candidate’s advisor and by the Associate Dean of Education.

The culminating experience in the advanced Graduate Education programs is the action research project, which is currently completed in either EDU 596/597, EDU 594/595, or EDU 608/609. The culminating experience in initial Graduate Education programs is the final clinical practice, which is currently completed in either ECE 576 (LBD), ECE 608 (MSD) or EDU 536 (MA-IC / MA-AC). Candidates must take these
courses at Georgetown College. Similar courses taken at other institutions cannot be transferred to satisfy these requirements.

Courses taken at Georgetown College as a special student 3 (SP3) or 5 (SP5) may be transferred into a degree program within the required timeline or “window” for graduate study upon approval of the candidate’s advisor and by the Associate Dean of Education.
FINANCIAL PLANNING

The Office of Student Financial Planning coordinates all student aid programs for graduate students at Georgetown College. Please review the information below and contact us if you have questions. To ensure aid is in place by the due date, you must complete all requirements and contact Julie Sams in Student Financial Planning.

**Step One: File a FAFSA (required for all programs except Traineeship)**

The FAFSA (Free Application for Federal Student Aid) is a form used by the U.S. Department of Education to determine a student’s eligibility for aid. It collects a variety of information about your family’s finances. Every graduate student’s FAFSA must be filed as an Independent.

File the FAFSA online at www.fafsa.ed.gov. To have your FAFSA results sent to Georgetown College, enter our school code (001964) in the school section.

The FAFSA must be filed annually and can be filed after January 1 each year.

In order to get your funds as soon as possible and avoid service charges on your student account, we strongly recommend that you file the FAFSA at least a month prior to enrolling.

The FAFSA you file will be valid for the Fall, Spring, and Summer terms.

The FAFSA must be filed to determine your eligibility for the following programs: Federal Student Loans and the Federal TEACH Grant.

**Step Two: Determine the programs which you want and are eligible to apply. Those programs include:**

1. **Federal Direct Loans**

   Federal Direct loans are fixed-rate student loans (6.8%) for graduate students attending a college or university at least half time (3 hours).

   Students must enroll for at least 3 hours per term to receive a Direct Loan.

   Students can receive a loan totaling up to the cost of education. The cost of education includes both direct costs (your tuition and fees) and indirect costs (general allowances for housing, meals, etc.).

   Origination fees (1.073%) will be deducted by your lender for any amount that you borrow.

   The annual limit is $20,500. These Federal Direct Loans are not awarded based on financial need. Any eligible graduate student can
borrow an Unsubsidized Direct Loan. You will be charged interest from the time the loan is disbursed, to the time the loan is repaid in full.

Payments are generally made over the course of ten years.

To apply for a Student Loan:

File the FAFSA for the relevant academic year at least 3-4 weeks prior to the semester beginning.

Register for your coursework. Check http://www.georgetowncollege.edu/mastercalendar.htm for dates.

Contact Student Financial Planning to let us know about your intent to borrow funds.

For new Georgetown College borrowers only: Go to www.studentloans.gov and click on “Entrance Counseling” and proceed through the Entrance Interview steps. Then, click on “Sign Master Promissory Note” and follow through all steps. All graduate students must choose UNSUBSIDIZED for the loan type.

After GC Student Financial Planning has all of your information on file, you will be able to view/accept your award online on your portal under the Finance tab.

2. Federal TEACH Grant

The TEACH Grant (Teacher Education Assistance for College and Higher Education Grants) is issued by the U.S. Department of Education.

A degree seeking graduate student can receive $1854 per semester, by taking 6+ hours. You must file a FAFSA as a requirement of the TEACH Grant, although the grant is not need-based.

Students are required to teach in high need subjects at schools serving low income students for four years out of the eight consecutive after finishing the program. If all requirements are not met, this grant will become an unsubsidized loan, with interest accruing back to first disbursement. Read more about the program at www.studentaid.ed.gov.

Potential recipients must complete these steps:

Contact Student Financial Planning and return a Declaration Sheet so that we can create a TEACH Grant record with the Department of Education. The file is typically set up around the time classes begin, but you must let us know 3-4 weeks prior to that time.
Complete an Entrance Interview and an Agreement to Serve at https://teach-ats.ed.gov/.

The Agreement to Serve and Entrance Counseling must be completed once per award year (fall, spring & summer).

3. Northern Kentucky University Special Education Traineeship

This program provides federal professional development funds to assist certified regular education teachers in obtaining certification in an area of special education. Also, the program can assist special educators in obtaining special education certification in an area not previously completed.

To view program requirements and to download an application (which you must mail back), go to http://kytraineeship.org.

Communications about this program and funding decisions come directly from the Northern Kentucky University Traineeship office.

The FAFSA is not required to determine your eligibility for this program.

The Traineeship program has been paying $460 per credit hour for approved courses, but may vary.

Students must apply every semester: contact the program office for deadlines.

For questions about this program, e-mail kytraineeship@kytraineeship.org.

Other Information

Loan forgiveness  Georgetown College is not involved in loan forgiveness. However, there are federal loan forgiveness programs which you can contact. For more information regarding these programs, go to http://studentaid.ed.gov/LoanForgivenessForTeachers.

Other Programs  Students are required to inform Georgetown College of other aid such as school district reimbursements they are receiving. We are required to consider these payments when determining how much aid a student can receive.

Contact Information  For additional information, please contact:

Office of Student Financial Planning
Georgetown College
400 East College Street
Georgetown, KY 40324
Phone: (502) 863-7923
Email: gradfp@georgetowncollege.edu
Expenses
As a private, faith-based institution, Georgetown College receives no support through taxes or public revenue. In fact, tuition covers only a part of the actual expenses involved. Support from the endowment, gifts and grants from alumni, friends of the college, and organizations total over 35% of the actual cost of each student’s education, helping to keep direct costs as low as possible. The College administers an extensive financial assistance program; no prospective student should overlook Georgetown College for purely financial reasons until investigating fully the amount and types of aid available.

**Basic Charges** For the 2015-2016 academic year, the following basic student charges apply:

<table>
<thead>
<tr>
<th>Charge</th>
<th>Fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>Tuition</td>
<td>$395/semester hour</td>
</tr>
<tr>
<td>Mentored Teaching fee: EDU 535-536</td>
<td>$175/course</td>
</tr>
<tr>
<td>Audit</td>
<td>$395/course</td>
</tr>
<tr>

<td>$10</td>
</tr>
</tbody>
</table>
**Billing**  It is the responsibility of each student to access their bill at the website https://my.georgetowncollege.edu/. The Business Office sends all billing information by email to each student’s college email address. No paper bills are sent. If the student makes changes to their registration and the billed amount changes, a corrected e-bill may not be received prior to the due date. If the student registers late, a bill may not be received prior to the due date. If the student has not received a bill prior to the payment deadline, it is the student’s responsibility to contact the Business Office to arrange payment. Student billing information is always available on https://my.georgetowncollege.edu.

**Payment Due Dates for 2015/2016**

**Current Student Accounts**  Registration is complete upon receipt of either payment in full to the Business Office or partial payment and completion of the Deferred Payment Agreement. The Deferred Payment form is on the downloadable form section of the “finances” tab on https://my.georgetowncollege.edu. The student should print the form, sign it, and mail it to Georgetown College Student Accounts, 400 East College Street, Georgetown, KY 40324. To receive financial clearance for classes, students must confirm registration by paying charges in full or by making arrangements to pay the bill in installments. Both methods require the student to contact the Business Office. If registration is not confirmed by the student, registration will be cancelled and the student will be billed drop charges plus tuition and fees subject to the refund schedule. For all sessions, please refer to the Drop Dates for Non-Payment schedule.

**Deferred Payment**  A Deferred Payment Agreement plan is available by semester for graduate tuition. Initial billing will be e-mailed to students approximately three weeks before the start of class. Registration can be viewed on https://my.georgetowncollege.edu. Deferred payment forms are available for down-loading, and electronic payment can be made on https://my.georgetowncollege.edu. Payments of at least 1/3 of the total charges for the semester will be made over three consecutive months for
fall and spring. For summer sessions, payments of at least $1/3$ of the total charges for the summer will be made over three consecutive months.

                                | 3\textsuperscript{rd} payment – 6/13/16  |

### Past Due Student Accounts

Any student with a past due account will not be permitted to register, nor will that student be able to receive a transcript or a diploma until the account is paid in full. At the end of each semester, the student with an open account assumes collection and legal fees, if any.

### Services Fees

A service charge of 1\% will be charged each month on student accounts.

### Drops for Nonpayment/Reinstatement

Students who have not received financial clearance by the deadline will be dropped from all classes. In addition to the $20 drop fees, students will be billed according to the refund schedule. Please refer to the refund schedule on the Business Office website. Click on the link for the semester in which you are enrolled. If a student is dropped for nonpayment and wishes to make the payment to be reinstated in the class, the reinstatement fee will be $50.

Drop Dates for Nonpayment (NOTE: The refund schedule will apply to drops for nonpayment).

**Refunds**  Reductions of charges billed will be made in the following circumstances:
withdrawal by the student due to illness or other reason subject to administrative review and approval (calculated from the date of submission to the Graduate Office),
suspension or expulsion of the student (calculated from the date of official action),
reduction of course load from full-time to part-time (calculated from the date of official receipt by the Graduate Office).

Students who withdraw during the first six weeks of fall and spring classes may be eligible for a partial reduction in billed charges for tuition and fees as determined by the schedule below. The withdrawal process is completed when the student submits the withdrawal card to the Graduate Office and signs a request for any applicable refund.

During the regular spring or fall semester, students withdrawing due to reasons subject to administrative review and approval will be billed on a pro-rata basis for tuition and fees as follows:

**IMPORTANT NOTE:** Students withdrawing due to reasons subject to administrative review and approval will have tuition and fees charged refunded on a pro-rata basis through 40% of the term. The class days and
dates for this refund schedule are determined by the Business Office. Students are advised to discuss drops or withdrawals with the Business Office and the Office of Student Financial Planning prior to making a decision.
GRADUATE COURSES OF INSTRUCTION

Courses numbered 400 to 499 are intended primarily for undergraduates, but may be taken by graduate students upon the approval of the chairpersons of the departments in which the course is offered and the Associate Dean for Graduate Education. A 400 level course taken for graduate credit requires additional work beyond a regular undergraduate course. Courses numbered 500 and above are open only to those admitted for graduate study. The College reserves the right to cancel any course when the registration is not sufficient to warrant its continuance.

ART – (ART)

540. Independent Study in Art. (1-3 hours) The student may select, in consultation with art faculty member(s), a topic for research or development in museum education, art studio, or art history. This course may be repeated. This course may count as pedagogical content knowledge in arts and humanities for elementary education and secondary music, art, math/science students and may be eligible as an elective in the Instructional Technology Endorsement. Special fee applies; please see Financial Planning and Expenses section.

570. Topics in Art. (2-3 hours) An in-depth study of a selected topic in art and museum education, art studio, or art history. The course will carry a subtitle denoting its emphasis. This course may be repeated. This course will count as pedagogical content knowledge in arts and humanities for elementary education and secondary music, art, math/science students. Special fee applies; please see Financial Planning and Expenses section.

BIOLOGY – (BIO)

540. Independent Study in Biology. (1-3 hours)

550. Seminar in Biology. (2-3 hours)

570. Topics in Biology. (2-3 hours)
CHEMISTRY – (CHE)

510. Classroom Demonstration of Chemistry and Physics Principles. (3 hours) This course is designed for elementary, middle, and secondary teachers who want to learn new practical methods for doing science in the classroom. Topics will include the scientific method, states of matter, chemical and physical changes, combustion reactions, solubility, acids and bases, polymers, household chemicals, density, pressure, waves, light and lasers, and refraction. Students will observe demonstrations and discuss the chemical and physical principles behind them, perform demonstrations, and design new demonstrations.

540. Independent Study in Chemistry. (1-3 hours)

570. Topics in Chemistry. (2-3 hours)

COMMUNICATION AND MEDIA STUDIES – (COMM)

540. Independent Study in Communications and Media Studies. (1-3 hours)

570. Topics in Communication and Media Studies. (2-3 hours)

COMPUTER SCIENCE – (CSC) Windows

522. Implementing STEM in the Classroom with Robotics. (3 hours). This course will cover robotics concepts through readings, demonstrations, and hands-on activities. Online activities will introduce robotics concepts and define how robotics fit into the Kentucky Core Academic Standards (KCAS). In class, students will learn how to create and program robots using the Lego Mindstorms Robotics system and will apply the robotics skills learned, by working with a group of elementary or middle-school children participating in a Lego Mindstorms summer camp.

540. Independent Study in Computer Science. (1-3 hours)

570. Topics in Computer Science. (2-3 hours)

EDUCATION – (EDU)

501. Teaching Reading and Writing. (3 hours) A course designed to help elementary and secondary teachers to informally assess literacy skills; plan and design appropriate literacy programs; and implement strategies to facilitate the acquisition of reading and writing skills.

506. History and Philosophy of Education. (3 hours) This course relates philosophies of education and their application to current educational practices and problems. In addition, EDU 506 relates historical milestones
in education, both worldwide and American, to education practice and institutions of the present. This course is required for initial certification programs at the graduate level.

507. Testing, Measurement, Statistics. (3 hours) A study of standardized and teacher-made tests. Application of statistical methods will be addressed in relationship to the development and interpretation of these tests.

509. Teaching Math in the Elementary Grades. (3 hours) A course designed to help the elementary school teacher improve the techniques to facilitate the learning of elementary school mathematics.

510. Foundations: Becoming a Teacher Leader (3 hours) This initial course in the Teacher Leader Master's program examines the role of the teacher leader in today's schools and engages students in self-assessment of relevant skills, providing a foundation upon which their professional development as teacher leaders will be built. Candidates examine the governance and process of schooling, as well as personal identity as professionals within a democratic and pluralistic society. The course supports the College's mission and tradition by giving each individual the opportunity to examine, evaluate, and develop a personal view of service to students, the teaching profession, and professional development within the context of developing teacher leader skills. Study of relevant professional literature, self-evaluation, introspection, reflection, and collegial dialogue are incorporated throughout the class. Candidates will learn to read, analyze and discuss scholarly, peer-reviewed literature and put it in conversation with the course readings so as to cultivate foundational skills for writing a capstone research project, in APA Style, at the end of their program. They will also develop a Professional Growth Plan (PGP) that identifies particular areas for professional growth of teacher leader skills and is consistent with needs within school contexts. This will serve as a guiding document throughout their MATL program.

516. Research-Based Practices in Literacy Instruction P-12. (3 hours) This is a basic course in advanced literacy methods taken prior to the clinical practicum experience. This course examines research in literacy instruction P-12 and will provide needed foundational knowledge.

517. Educational Policy and Theoretical Foundations of Literacy. (3 hours) In this course, graduate candidates will examine of the relationship between political policy and trends in educational policy and practice. The course will include readings and assignments designed to assist in the
development of a concrete understanding of how educational policy affects the classroom. Graduate candidates will then investigate the implications of current educational policy on a school.

**520. Foundations of Gifted Education.** (3 hours) Candidates study the historical background of the concept of gifted education; theories of intelligence and other abilities; growth and development of the gifted student; and special problems encountered by gifted children.

**521. Curriculum and Instruction in Gifted Education.** (3 hours) Candidates study current research in curriculum for the gifted; explore various curriculum models and relevant teaching principles, and produce a workable curriculum design. They also explore regional and local regulations pertaining to services to gifted and talented students, curriculum designs of various districts, and actual teacher practices.

**522. Differentiating for Gifted Learners in the Regular Classroom.** (3 hours) Candidates in EDU 522 learn and apply to the classroom effective methods for differentiating curriculum and instruction in the regular classroom for gifted students and others.

**523. Practicum in Gifted Education.** (2-3 hours) Candidates complete a series of tasks which are applications of much of the material from EDU 520 and EDU 521, including working directly with gifted students. In addition to completing the tasks, candidates are expected to communicate online with the others taking the course to establish and maintain collegial relationships.

Prerequisites: EDU520, EDU521.

**525. Teaching Science in the Elementary Grades.** (3 hours) An exploration of various aspects of teaching science to elementary students: the philosophical bases of science, integration with other subjects, methodologies, classroom organization and management, analysis of science curriculum, and application of the principles covered.

**527. Advanced Applications of Technology for Teacher Leaders.** (3 hours) This online course focuses on developing teachers’ use of technology to manage their professional lives as they collaborate with colleagues and serve in leadership roles that extend beyond their own classroom. It also allows the student to explore how technology can be used more effectively, or applied to problems, in the classroom, school, or district. Teachers will conduct research and explore various data sources to identify problems (technical and non-technical) that exist in their school or district. In light of these results students will then learn to explore
technological solutions and advocate, in writing and through presentations, for their adoption. During this process students will also learn to critically evaluate the diverse political and philosophical views related to technology and apply these perspectives to their situation. They will also be introduced to the legal and educational issues associated with using technology in schools.

529. Teaching in a Diverse Society: Deepening the Skills for Teacher Leaders. (3 hours) Caring and committed educators who are teacher leaders serve children and families through knowledge of best practices and instructional differentiation. This course is designed to enhance candidates’ commitment to diversity and to students and families by developing quality instructional opportunities for all students regardless of language, race, ethnicity, gender, exceptionality, socioeconomic status, religion, ability status, sexual orientation or geographic area. Culturally responsive teachers facilitate and support learning for all students regardless of their diversities. This course deepens candidate’s understanding of teaching and learning through examination of the diverse make-up of today’s communities, schools and classrooms. Through personal reflection and identification of theoretically sound and culturally responsive pedagogy, this course prepares the candidate to model, mentor and lead efforts in creating a school climate that effectively addresses the learning needs of all students. In this course, candidates will be assessed on their ability to design and implement an instructional plan that is research-based and differentially relevant for diverse populations.

532. Effective Classroom Instruction for Middle and Secondary Students. (3-6 hours) A course designed for candidates in the alternative initial certification program that provides a foundation for designing and planning effective classroom instruction for middle and secondary students—using National and Kentucky curriculum documents, research, and best practices. Course activities are online and are differentiated and various majors/subject areas.

535. Curriculum and Assessment for Teachers. (6- hours) Mentored teaching experience for candidates in MA with Initial or Alternative Certification program for middle and/or secondary teachers. Requires advisor approval.

536. Mentored / Student Teaching for MA Certification. (6 hours) Final mentored teaching or clinical practice (student teaching) for candidates in MA with Initial or Alternative Certification program for middle and/or secondary teachers. Requires admission into final clinical practice (checkpoint 2) and advisor approval.
540. Independent Study in Education. (1-3 hours) Study of selected issues and topics in education.

542. Classroom Applications of Technology. (3 hours) Introduction to computers as an educational tool through study of application software packages for word processing, spreadsheets, databases, presentations, and the use of the Internet and e-mail in the classroom. Assistive technology and universal design for learning is included for special education teachers.

544. Classroom Management and Discipline. (3 hours) Discusses developmental aspects of student behavior, motivation, and related factors in developing positive classroom behavior for students of various cultural backgrounds and exceptional education needs. (School-based clinical component required).

545. Curriculum and Assessment for Teacher Leaders. (3 hours) Candidates study the ways that curriculum outcomes, assessment, and instruction align. They will investigate the use of assessment to determine pupil needs and to evaluate the effects of instruction according to the desired outcomes. Beginning with general theories of curriculum and assessment, candidates will explore a variety of forms of assessment tasks, including those which may indicate learning problems, special abilities, and pupil achievement; identify criteria for determining appropriate and effective assessment; examine assessment from a student-centered perspective; gain competence in applying and interpreting assessments; and explore legal and ethical aspects of assessment. They will also simulate leadership formats with fellow candidates as they study, analyze, reflect on, and communicate curriculum/assessment features and problems. For the core assessment of this course, candidates will outline an overall assessment plan, carry out a clinical experience and analyze the results, and complete a final reflection. Classroom tasks in connection with the core assessment will include collaborative analysis of assessment results in groups of candidates with similar teaching certification, group critiques of assessment items, and presentations of special selected topics in curriculum/assessment. Other classroom activities in EDU 545 will include tests on assessment knowledge and discussion activities with fellow class members.

548. Exceptionalities and Schooling. (3 hours) Education provides an overview of the major categories of exceptionalities—including the history, practices, advances, problems, and challenges. The course is designed for students who have not had an introductory course in special
education at the graduate level and for students in the middle/secondary alternative certification program who must implement appropriate services for students with special needs in regular classrooms.

550. **Seminar in Education.** (2-3 hours) Subjects for study will vary with the needs and interests of students (substitutions may be approved by the Associate Dean of Education).

552. **Field Studies for MAAC.** (3 hours) Candidates will work in a clinical setting (classroom laboratory) exploring the art and science of teaching including the design, implementation, and evaluation of instructional plans. (School-based clinical component required).

557. **Planning and Management of Technology in Schools.** (3 hours) Course addresses issues related to administering a technology environment at a classroom and school level. Addresses ISTE TF Standards TF-VIII, TF-V.D.4, TF-1.A.1-2, and TF-VI Prerequisite: Admission to IT program or permission of instructor.

558. **Developing and Using Web-based Resources in the P-12 Classroom.** (3 hours) This course concentrates on developing and implementing web-based resources that can be used by P-12 teachers and/or students. We will be learning how to develop and use these resources by exploring a variety of web-based tools, including (but not limited to) blogs, wikis, web-based multimedia resources, communication tools (discussion forums, chat, etc.), research tools, course management systems, social networking, online gaming, and other new and emerging web-based technologies. We will be focusing on research and design considerations and best practices. This course counts as an elective in the new Instructional Technology Endorsement requirement in the old instructional Technology Endorsement, an elective (pedagogical content knowledge) in the MA for Elementary and an elective (Professional Knowledge) in the MA for secondary/P-12. Prerequisites: EDU 586, EDU 527, or EDU 542 or permission of instructor.

560. **Methods of Teaching Technology Concepts with Practicum.** (3 hours) This course addresses issues in teaching children and adults how to use instructional technology to enhance learning and increase productivity. Topics will include, but are not limited to, learning theories related to technology skills acquisition, classifications of technology used in schools, identifying, evaluating, and designing technology professional development resources for teachers, and technology standards for students and teachers. Through the practicum, this course will provide experiences working with teachers who are implementing technology in instructional
units and with students. Prerequisite: Admission to IT endorsement program and successful completion of at least 2 technology courses.

562. Research and Practice: Assessing and Facilitating Students’ Literacy Development I. (3 hours) The first of two practicum courses that require teachers to assess continuously the literacy development of individual students over two semesters and implement specific intervention strategies that address student’s needs. Prerequisite: EDU 501, 502, or 516.

563. Research and Practice: Assessing and Facilitating Students’ Literacy Development II. (3 hours) The second of two practicum courses that require teachers to assess continuously the literacy development of individual students over two semesters and implement specific intervention strategies that address student’s needs. Prerequisite: EDU 562.

565. Human Development, Behavior and Learning. (3 hours) Study of normal growth and development, research in physical, social and emotional development, causes of behavior and learning theories.

570. Topics in Education. (3 hours)

572. Inclusive and Responsive Teaching (3 hours). This course balances developing knowledge of multiple strategies for individualizing instruction in the inclusive classroom with developing professional collaborative skills including consultation, training, co-teaching, mentoring, and engaging parent support. The course is based on job-embedded assignments that involve practical field experience and professional activities in the classroom and school environment. Reflection is an essential component of this course.

578. ESL for Mainstream Teachers. (3 hours) A course designed to provide non-ESL teachers with knowledge on how to effectively teach, assess, and integrate ESL students in mainstream classrooms and to become an advocate for immigrant populations.

580. ESL Teaching Methods and Techniques. (3 hours) Knowledge derived from the linguistic sciences about the nature of language and how it is learned will serve as the basis for the exploration and evaluation of various methods, techniques, and approaches to the teaching of English as a second language.
581. ESL Assessment and Culture. (3 hours) This course is a practical application of ESL methods and a continuation of ESL methods. This course will deepen the theoretical concepts of the methods course and will focus on the assessment process of ESL student achievement.

583. ESL Linguistic Theory and Analysis. (3 hours) This course familiarizes students with key concepts of Linguistic research and human language. In addition, English grammar is reviewed and practiced.

585. ESL Leadership. (3 hours) This course will provide training to teachers to transition from being ESL teachers to becoming ESL managers and leaders in their schools or districts. This course will train the participants to guide their school communities to a successful integration of students and families with heritage languages and cultures other than American and to help classroom teachers to overcome achievements gaps in their classrooms. Participants in this course will discuss issues within a framework of sociocultural and leadership concepts.

587. Communicating with Immigrants. (3 hours) This course will assist teachers to understand how the home language and culture may impact school achievement in ESL populations by the example of some language minority groups. The course will further deepen the knowledge of how culture and language interface and how they create reality for learners.

589. ESL Special Topics/Academies. (3 hours) This course will provide training in issues of law, State and Federal mandates, No Child Left Behind, and National Board certification for ESL teachers. The focus of this course may vary depending on new initiatives or pressing issues facing teachers. If applicable, the particular focus of this course will be publicized in the course announcement in the respective course catalogue.

594. Developing Teacher Leadership through Research. (3 hours) This course introduces action research as a powerful agent of educational change. The class will enhance candidates’ existing abilities to use action research principles in their roles as teacher leaders not only as critical consumers of research but as researchers themselves. Candidates will explore quantitative and qualitative research methodologies and understand the roles of various methodologies and data in action research that addresses issues of candidate achievement. Candidates will develop skills to be critical consumers of information and research in the field of education, exploring issues such as research design, population sampling, data collection instruments and methods, and data analysis in contemporary research. Working toward the implementation of their Capstone Research Project, candidates will refine their review of
literature, design the study, develop research questions, and operationalize key terms and processes in an action research project to test their hypotheses. Candidates will explore research ethics and related regulations. Candidates will complete the Institutional Review Board application and submit their Capstone Research Project Research Proposal to the IRB for review. This course is designed to provide opportunities for candidates to demonstrate scholarship and leadership in educational settings by designing a research project around a concrete educational matter, and is consistent with the mission statement of the unit to develop scholars who are competent and caring educators, committed to a spirit of service and learning.

595. Implementation of Capstone Research Project. (1 or 3 hours) This class represents the capstone course for the MA in Leadership program and is to be taken immediately after EDU 594 course and/or in conjunction with their chosen endorsement or content focus area practicum. Candidates will implement the Capstone Research Project in their professional practice. They will collect, analyze, and report data; draw conclusions; prepare a written analysis of the conclusions in light of existing research; and make suggestions for future research. This course is designed to provide opportunities for candidates to demonstrate scholarship and teacher leader skills by reporting their findings in an educational setting such as a presentation at the school level and an educational conference proposal.

Candidates who are completing an endorsement or special program will implement their Capstone Research Project in the final practicum course in their program. Since the Capstone will focus on student achievement, the endorsement and special program Capstones will integrate issues of student achievement with content and skills from the specialty area. Candidates collect and analyze data, draw conclusions, prepare a written analysis of the conclusions in light of existing research, and make suggestions for future research. The audience for presentation of these projects will include persons interested in the student achievement issue, the specialty area, or both.

This course is designed to provide opportunities for candidates to demonstrate scholarship and leadership in educational settings by presentation at the school level and conference proposal, and is consistent with the mission statement of the unit to develop scholars who are competent and caring educators, committed to a spirit of service and learning. Prerequisite: EDU 594 or EDU 596.
595RW. Implementation of Capstone Research Project. (3 hours) This class is part of the required coursework leading to the MA in Teacher Leadership with a P-12 reading or literacy specialist endorsement and it represents the capstone course for the MA in Teacher Leadership program. Students will implement the Capstone Research Project in their professional practice. They will collect, analyze, and report data; draw conclusions; prepare a written analysis of the conclusions in light of existing research; and make suggestions for future research. This course is designed to provide opportunities for candidates to demonstrate scholarship and teacher leader skills by reporting their findings in an educational setting such as a presentation at the school level and an educational conference proposal. The audience for presentation of these projects will include persons interested in the student achievement issue, the specialty area, or both. This course is designed to provide opportunities for candidates to demonstrate scholarship and leadership in educational settings and is consistent with the goal of developing scholars who are competent and caring educators, committed to a spirit of service and learning. Prerequisite: EDU594.

598. Literacy Leadership in Schools Practicum. (3 hours) This is the final practicum experience in the Reading/Writing Program, designed to prepare candidates for work as a literacy coach or specialist. Candidates use assessment data to plan literacy programs in their schools, collaborating with teachers and administrators to implement an instructional plan that is consistent with the school’s needs. The requirements for EDU 598 are focused on designing and implementing specific literacy professional development activities. Thus, the assignments focus on individual and collaborative work to create, implement, and evaluate a variety of professional development experiences for teachers, administrators, and paraprofessionals. This course addresses new and required state and national competencies for P-12 Reading Specialists.

600. Leaders as Scholars: Philosophical Foundations and Issues in Education. (3 hours) In this course, candidates examine current educational issues, policies and school realities within a historical and philosophical framework. Candidates reflect upon their own philosophical and ideological views, determine the theoretical perspectives that are reflected in a school’s mission and vision statements, and examine the coherence of school practices within this theoretical context. Candidates also explore the evolution of teacher leadership as it relates to school improvement.
602. Reading, Writing, and Thinking: Promoting Comprehension and Engagement through Effective Literacy Practices. (3 hours) This course targets the college readiness standards in the English Language Arts. Candidates learn how to embed effective literacy instruction in teaching content, leading to higher levels of academic achievement and student engagement. Reading strategies for promoting comprehension, persuasive and argumentative writing, and academic conversations are the major foci of the course. Promoting the academic language development of English learners is also addressed.

604. Instructional Coaching: Building Teacher Capacity through Mentoring and Collaboration. (3 hours) This course is designed to provide opportunities for candidates to explore what it means to be an effective instructional coach, gain field experience in various coaching methods, including co-teaching experiences, in a supportive and critically reflective environment, and help students develop a toolbox to support a range of coaching interactions.

606. Educational Technology for the 21st Century Learner. (3 hours) This course will focus on using technology to meet the diverse learning needs of the 21st century student. Current topics, trends, and research on using technology in schools will be discussed, with special emphasis on using technology to differentiate instruction to meet the needs of diverse learners.

608. Using Data for Instructional Decision-Making. (3 hours) Candidates examine demographic and achievement data in their school against a backdrop of current educational issues. They conduct classroom research, interviews, surveys, walkthroughs, literature reviews, and job-embedded professional development in addition to consulting professional web sites, organizations, and relevant funding sources (to be included in a school portfolio). Candidates then analyze these data given their school’s goals and mission statement, and develop a 30, 60, 90 day plan. Candidates also study current frameworks, theories, practices, and techniques used for school/teacher leadership.

609. Practicum for School Leaders. (3 hours) Candidates implement their school leadership plan in this course and gather data on school improvement results. Candidates present results to school staff and the school’s site-based council following implementation.

611. CRIOP Practicum. (3 hours) An intensive field-based internship designed to assist teachers in implementing the various elements of the Culturally Responsive Instruction Observation Protocol (CRIOP) model.
613. Foundations of Environmental Education. (3 hours) This course explores the philosophical, historical, and cultural foundations of environmental education as well as the professional responsibilities of the environmental educator, and situates this knowledge in a local, place-based praxis. In doing so, it calls us to think deeply and relationally about issues of ecoliteracy, justice, diversity, democracy, class, race, globalization, and indigenous and sustainable communities. We will explore methodologies, resources, and current issues and trends for environmental educators in formal or informal settings.

615. Teaching Environmental Education. (3 hours) This course addresses materials, resources, planning, implementation, assessment and evaluation of environmental education across the curriculum and applies them to one’s own site-based setting and culture. Students will implement NAAEE standards as well as state standards for teaching environmental education in P-12 schools. The course will culminate in the creation of a standards-based learning unit in which environmental literacy is integrated with traditional content areas.

617. Case Studies in Environmental Education. (3 hours) In this course we will engage Integral Ecology’s interdisciplinary model as a framework and methodology for organizing and integrating many different perspectives and content areas in order to cultivate systemic understandings of environmental problems and their solutions. Using this methodology we will research and map an environmental concern in Kentucky. We will also consider theories of change to see what they may offer us in terms of fostering constructive conversations, cultivating innovation, and preparing young people to solve environmental problems. With these frameworks, methods and theories in mind, candidates will translate their findings into a curriculum map.

619. Environmental Ethics and Education. (3 hours) This course seeks to bring the fields of environmental science, ethics and religion together in rich conversation in order to discern how they might speak to and inform one another on issues relating to education as well as ecologically just and socially responsible living. Candidates will examine their own faith traditions in light of what they teach regarding environmentalism in order to critically examine how their own belief systems influence their practice as educators. They will also explore secular humanist writings and faith traditions outside of their own in order to better understand diverse worldviews regarding the environment. Finally, with the diversity of their students in mind, candidates will design a standards-based service learning project related to environmental education and reflect upon it in
light of the religious and ethical value systems they have explored.

621. **Special Topics in Environmental Education.** (3 hours) This course will provide the opportunity for study of environmental education issues not necessarily covered in other courses. In addition, candidates may receive credit for participation in approved environmental education professional development opportunities as a partition of this course.

622. **Field Experience in Middle and Secondary Schools.** (1 hour) This course is a lab-based class for initial certification students who need to obtain 50 pre-clinical hours in EPSB-approved field experiences.

623. **Field Studies for Alternative Certification Students.** (1 hour) This course is a lab-based class designed for alternative certification students to receive 15 hours of mentoring through the college and school mentor.

626. **Developing Teacher Leadership through Research / Implementation of Capstone Research Project.** (6 hours) This course introduces action research as a powerful agent of educational change. The class will enhance candidates’ existing abilities to use action research principles in their roles as teacher leaders not only as critical consumers of research but as researchers themselves. Candidates will explore quantitative and qualitative research methodologies and understand the roles of various methodologies and data in action research that addresses issues of candidate achievement. Candidates will develop skills to be critical consumers of information and research in the field of education, exploring issues such as research design, population sampling, data collection instruments and methods, and data analysis in contemporary research. Working toward the implementation of their Capstone Research Project, candidates will refine their review of literature, design the study, develop research questions, and operationalize key terms and processes in an action research project to test their hypotheses. Candidates will explore research ethics and related regulations. Candidates will complete the Institutional Review Board application and submit their Capstone Research Project Research Proposal to the IRB for review. Candidates will implement the Capstone Research Project in their professional practice. They will collect, analyze, and report data; draw conclusions; prepare a written analysis of the conclusions in light of existing research; and make suggestions for future research. This course is designed to provide opportunities for candidates to demonstrate scholarship and teacher leader skills by reporting their findings in an educational setting such as a presentation at the school level and an educational conference proposal.
628. Using Data for Instructional Decision-Making / Practicum for School Leaders. (6 hours) Candidates examine demographic and achievement data in their school against a backdrop of current educational issues. They conduct classroom research, interviews, surveys, walkthroughs, literature reviews, and job-embedded professional development in addition to consulting professional web sites, organizations, and relevant funding sources (to be included in a school portfolio). Candidates then analyze these data given their school’s goals and mission statement, and develop a 30, 60, 90 day plan. Candidates also study current frameworks, theories, practices, and techniques used for school/teacher leadership. Candidates implement their school leadership plan in this course and gather data on school improvement results. Candidates present results to school staff and the school’s site-based council following implementation.

630. Technology in the Online Classroom. (3 hours) This course focuses on acquiring technology skills and best practice use of technology in designing and implementing online learning resources. By focusing on research and design considerations and best practices, students will learn about different technical aspects of teaching online, technology-related skills and tools used in online teaching, course management systems and communication technologies, online accessibility issues, and online-related legal and ethical considerations. This course counts as a requirement in the proposed Online Teaching and Learning P12 Cognate, an elective in the Instructional Technology Endorsement, and an elective in other advanced programs. Prerequisite: EDU 527 or EDU 542 or permission of instructor.

EXCEPTIONAL CHILD EDUCATION – (ECE) (INCLUDING LBD, MSD, AUTISM)

500. Educational Evaluation. (3 hours) A course covering principles of tests and measurement, interpretation of assessment techniques as applied to Special Education and application of assessment data to individualized education pro-grams and classroom assessment strategies.

501. Behavior Management for LBD Students. (3 hours) This course is designed to provide students with knowledge and understanding of behavioral assessment and intervention strategies based on behavior management techniques, including how to design learning environments that help prevent problem behaviors.
502. Introduction to LBD. (3 hours) A historical overview of the field of special education will be presented. This course will provide information and knowledge on legislation and litigation in special education, characteristics of children and youth with disabilities, and procedures for eligibility and provision of special education and related services. Special education laws will be addressed relevant to the course content.

503. Educational Programming for LBD Students. (3 hours) A course designed to prepare teacher candidates to instruct P-12 students with mild mental retardation, learning disabilities, behavior disorders, or mild orthopedic handicaps. Content includes effective teaching and learning strategies, development of lesson and unit plans to meet curriculum requirements based on student needs, and differentiation with specially designed instruction in academic areas.

504. Collaboration and Advocacy. (3 hours) This course addresses inclusion, collaboration, and advocacy approaches to working with children and youth with disabilities. Approaches for differentiated instruction in an inclusive class-room are presented. Procedures for working with parents and educators in collaborative settings and related and transitional services are discussed.

508. Introduction to Autism Spectrum Disorders (ASD). (3 hours) This course will provide information about the various manifestations of Autism Spectrum Disorders, including current trends in diagnosis and treatment. It will also address the unique challenges related to learning needs across the spectrum including language, social behaviors, theory of mind, and sensory processing. It will address the historical foundations of autism through present day findings and general supports. Additionally, information will be provided about instruction and supports provided through special education laws and regulations. The outcome for participants will allow them to understand practices with identified needs. Participants will also increase their understanding of the challenges parents face in raising a child on the spectrum, as well as how they may be a valuable participant in the student’s team.

510. Evidence-Based Practices for ASD. (3 hours). Evidence-based instructional practices are mandated by both NCLB and IDEIA. This course will examine the research related to evidence-based practices and provide participants with the core strategies recognized by research today. Such strategies will include: social narratives, using work systems, visual supports, incorporating technology, and communication systems. Participants will learn how to analyze student needs through case studies; design and implement an effective educational program matched to
student needs to promote communication, on-going learning, and adaptive behavioral skills; structure the physical environment to support learning; provide links between special interests and curriculum; and adapt core content related to Kentucky’s Program of Studies. Prerequisite: ECE508.

512. Analyzing Behavior for Students with ASD. (3 hours) This course will provide participants with the tools needed to build on their knowledge of autism while learning to assess behavioral needs. Various strategies will be reviewed to analyze student behavior, identify variables related to the behaviors that are unique to ASD, and develop programs that promote positive behavioral supports (PBS). Some of the strategies addressed will include the Ziggurat model, developed by Aspy and Grossman. Upon completion of this course, participants will be able to conduct an assessment of ASD student behavior and develop a behavior plan with identified strategies for instruction and support. Prerequisite: ECE508.

514. Application of Strategies in Autism Spectrum Disorders. (3 hours) The intent of any practicum is for the new teacher to effectively demonstrate their learned skills in a classroom setting. Participants will demonstrate their competence, according to the CEC standards and the Georgetown College Conceptual Framework by submitting a portfolio of work. The content will require the participant to complete a portfolio that includes the following: identify the manifestations and needs of student(s) with ASD, review assessment data, observe the student, interview relevant staff/parents, create an instructional plan, and videotape one model lesson. It is expected that students will complete 30 clock hours in completing the required portfolio. Prerequisites: ECE508, ECE510, and ECE512.

542. Using Technology to Remove Barriers for Students with Disabilities. (3 hours) Introduction to computers as an educational tool through study of application software packages for word processing, spreadsheets, databases, presentations, and the use of the Internet and e-mail in the classroom. Assistive technology and universal design for learning is included for special education teachers.

565. Typical and Atypical Development. (3 hours) Study of normal growth and development, research in physical, social and emotional development, causes of behavior and learning theories.

575A. Field Studies in LBD Component I Part A. (3 hours) This course is the first of two field courses taken in the first 20 hours of the program (taught in fall and spring only). All candidates who are teaching on an LBD Temporary Provisional certificate must take ECE 575A in their first
semester. Using Kentucky Teacher Internship Program (KTIP) as a model and with the assistance of a mentor teacher and a college supervisor, students will develop and teach lesson plans, assess personal professional strengths and needs and develop strategies to pinpoint specific areas in which classroom effectiveness can be improved. Mentored teaching provides information and experiences that address the need for consistent sensitivity to individual, academic, physical, social and cultural differences through demonstration of competencies required by the Kentucky Teacher Standards, the Council for Exceptional Children Standards, and the Georgetown Conceptual Framework. Students will be in their LBD classroom or an LBD approved placement for at least 60 hours. This course is offered fall and spring semesters only.

575B. Field Studies in LBD Component I Part B. (3 hours) This course is the second of two field courses taken in the first 20 hours of the program (taught in fall and spring only). All candidates who are teaching on an LBD Temporary Provisional certificate must continue in ECE 575B for continuous mentored teaching while in the classroom. This course continues the objectives of ECE 575A, with particular emphasis on classroom assessment, assistive technology, and development of a professional growth plan. Students will be in their LBD classroom for an LBD approved placement for at least 60 hours. This course is offered fall and spring semesters only. Prerequisites: ECE 575A, 501, and 502.

576. Final Clinical Practice-Field Component II in LBD Special Education. (3-6 hours) To take 576, students are required to be teaching in an LBD position or be in an approved Georgetown student teaching placement, to have taken and passed the required LBD PRAXIS test to have met all other checkpoint two requirements. Utilizing school classrooms as the laboratory, this course continues the objectives of ECE 575 A-B, and students should be proficient in the teaching standards by the end of the course. This course is offered fall and spring semesters only. Prerequisites: ECE 500-504, 575 A and B and approved final clinical (checkpoint 2) application.

600. Introduction to Teaching Students with Moderate and Severe Disabilities. (3 hours) This course addresses the issues and trends of teaching persons who are diagnosed with moderate and severe disabilities. Focus is on the instructional, social, education, and transitional needs. Working with families and collaboration in inclusive settings is included.

602. Curriculum and Instruction for Students with Moderate and Severe Disabilities. (3 hours) This course analyzes assessment techniques and explores prescriptive programming for moderate to severely disabled
persons from in-fancy to adulthood. Diagnostic and prescriptive programming experiences are necessary in field-based practicum. Candidates are required to complete a field practicum working with MSD students as a requirement of this class. Prerequisite: ECE 600.

604. Teaching Individuals with Physical or Multiple Disabilities. (3 hours) This course surveys causes and educational implications of physical disabilities and sensory impairments. It addresses a broad range of issues of importance to the health and physical problems of students with multiple disabilities.

606. Transition Services for Students with Disabilities. (3 hours) This course will address the needs of personnel working with special education students preparing to make the transition from school to adulthood. The course will provide information on: the basic adult needs of person with developmental disabilities and an interdisciplinary services model to meet those needs. Emphasis will be placed upon the systematic planning and coordination of services that are required for persons with disabilities to achieve maximum quality of life.

608. Field Component in MSD. (3-6 hours) ECE 608 is a mentored field experience. As part of the Advanced Moderate to Severe Disabilities Program, candidates will enroll for three hours of mentored teaching utilizing school classrooms as the laboratory. Initial MSD candidates will enroll in 6 hours and complete either a mentored field experience or supervised student teaching. Using KTIP as a model and with the assistance of a mentor teacher and a college supervisor, candidates will assess strengths and needs of MSD students in a chosen classroom. When the needs have been identified for each student, various strategies will be utilized to pinpoint specific areas in which classroom effectiveness can be improved. Candidates should show consistent sensitivity to individual, academic, physical, social and cultural differences and respond in a caring manner. Mentored Teaching provides information and experiences that address this sensitivity through demonstration of the competences required by the Kentucky Teacher Standards as well as essential information regarding teaching as a profession and the Council for Exceptional Children Individualized Independence Curriculum (IIC) Standards for MSD. A leadership plan and professional growth plan addressing the Kentucky Teacher Standards will be completed in ECE 608.

Based on teacher education, Georgetown College Conceptual Framework, Kentucky Teacher Standards and the Council for Exceptional Children Standards for Special Education serving students with moderate to severe
disabilities, this is the final course required to add certification in Moderate/Severe Disabilities (MSD). Candidates will critically reflect their value orientations and pedagogical foundations as they deepen their reflective practices based on the framework of the education department and its theme, “Developing scholars who are competent and caring educators, committed to a spirit of service and learning” (Georgetown College Conceptual Framework). During ECE 608 candidates will extend their skills in planning curriculum and instruction for students with MSD and demonstrate all CEC competencies for MSD teachers as well as Kentucky Teachers Standards in the classroom.

610. Supporting Challenging Behaviors. (3 hours) This course will address the behavioral needs of students with moderate to severe disabilities. The focus is assessment of behaviors and behavior interventions and how to implement in the MSD classroom. Applied behavior analysis theory is examined. Candidates are required to complete a field practicum working with MSD students as a requirement of this class.

612. Language Development and Literacy Instruction. (3 hours) This course will focus on language development and how it impacts teaching literacy to students with moderate to severe disabilities. Language disorders will be examined and literacy content explored. Candidates are required to complete a field practicum working with MSD students as a requirement of this class.

614. Social Skills Development and Community Access. (3 hours) This course examines the community resources and access for students with moderate to severe disabilities. The course explores social skill theories of development and how it impacts students in the MSD classroom. Candidates are required to complete a field practicum working with MSD students as a requirement of this class.

ENGLISH – (ENG)

520. Informative and Argumentative Writing. (3 hours) This course addresses research and instructional techniques in teaching the three forms of writing addressed in the college readiness standards: narrative, informative/explanatory, and argumentative writing.

526. Teaching P-12 Writing Across the Curriculum. (3 hours) An online study of important principles and methods used in teaching writing in order to accommodate special needs and a diverse student population. Applying guidelines from the state (KDE), Common Core Standards, and National Standards (NCTE), the class will read grade-level appropriate
texts, participate in forums, and discuss (1) how to improve their informational and argumentative writing assignments in various disciplines and at various levels; (2) how to improve peer review and group work to minimize teacher work and to allow student ownership of writing/learning; (3) how to improve evaluation and grading of student writing. As a culminating project, each participant will write and peer review (using Moodle or other online collaborative software) a short syllabus of writing activities that reflects new or improved activities to address varying needs. Prerequisites: Open to all students admitted to the Graduate Studies program at Georgetown College. Can be an elective for MSD Rank I program. Summer 2

540. Independent Study in English. (1-3 hours)

550. Seminar in English. (2-3 hours)

570. Topics in English. (2-3 hours)

FRENCH – (FRE)

540. Independent Study in French. (1-3 hours)

HISTORY – (HIS)

540. Independent Study in History. (1-3 hours)

550. Seminar in History. (2-3 hours)

570. Topics in U.S. History. (1-3 hours) Topics studied will vary with the interests of the students and instructors.

571. Topics in European History. (3 hours) Topics studied will vary with the interests of the students and instructors.

KINESIOLOGY AND HEALTH STUDIES – (KHS)

540. Independent Study in Kinesiology and Health Studies. (1-3 hours)

550. Seminar in Kinesiology. (2-3 hours)

570. Topics in Kinesiology and Health Studies. (2-3 hours) Allows each student the opportunity to examine various issues and/or problems in Kinesiology or Health Studies.
MATHEMATICS – (MAT)

501. Number Concepts for the Elementary Math Specialist. (3 hours) A study of the concept of number from a teacher’s perspective to enable better understanding of children’s thinking and misconceptions and to appropriately direct their learning. Topics will include number patterns, place value, fractions, decimals, and prime numbers; and the operations performed with these numbers. Problems suitable for elementary students will be part of our investigations. For elementary teachers only.

502. Geometry and Measurement Concepts for the Elementary Math Specialist. (3 hours) A study of concepts from geometry and measurement from a teacher’s perspective to enable better understanding of children’s thinking and misconceptions and to appropriately direct their learning. Topics will include two and 3 dimensional shapes and their properties and visualization, transformations, linear and area measure, probability, and data analysis. Problems suitable for elementary students will be part of our investigations. For elementary teachers only.

540. Independent Study in Math. (1-3 hours)

550. Seminar in Math. (2-3 hours)

570. Topics in Math. (2-3 hours)

MUSIC – (MUS)

507. History of Rock Music. (3 hours) A study of the origins, characteristics and stylistic development of rock and roll music from the early 1950s through the 1990s.

540. Independent Study in Music. (1-3 hours).

550. Seminar in Music. (2-3 hours) Study of current music education research. The subject for study will be decided by the needs and interests of students.

570. Topics in Music. (2-3 hours)

PHYSICS – (PHY)

510. Classroom Demonstration of Chemistry and Physics Principles. (3 hours) This course is designed for elementary, middle, and secondary teachers who want to learn new practical methods for doing science in the classroom. Topics will include the scientific method, states of matter,
chemical and physical changes, combustion reactions, solubility, acids and bases, polymers, household chemicals, density, pressure, waves, light and lasers, and refraction. Students will observe demonstrations and discuss the chemical and physical principles behind them, perform demonstrations, and design new demonstrations.

540. Independent Study in Physics. (1-3 hours)

570. Topics in Physics. (2-3 hours)

POLITICAL SCIENCE – (POS)

540. Independent Study in Political Science. (1-3 hours)

550. Seminar in Political Science. (2-3 hours)

570. Topics in Political Science. (2-3 hours)

PSYCHOLOGY – (PSY)

570. Topics in Psychology. (2-3 hours)

SOCIOLOGY – (SOC)

532. Sociology of Education. (2-3 hours) Analysis of educational institutions in terms of the interaction of individuals and groups, educational processes, school and community relations and the function of the educator as an agent of socialization.

540. Independent Study in Sociology. (1-3 hours)

550. Seminar in Sociology. (2-3 hours)

570. Topics in Sociology. (2-3 hours)

THEATRE AND FILM STUDIES – (THE)

540. Independent Study in Theatre. (1-3 hours)

570. Topics in Theatre. (2-3 hours)
THE BOARD OF TRUSTEES AND FELLOWS

The Georgetown College Board of Trustees and Fellows is currently made up of 35 members. The Trustees are the legal governing body of the College.

FACULTY OF THE COLLEGE

Full-Time Graduate Faculty

JANE ARRINGTON (2012)
Assistant Professor of Education
B.A., Murray State University; M.A., Georgetown College; Ed.D., University of Kentucky

JOY BOWERS-CAMPBELL (2012)
Assistant Professor and Dean of Education
B.A., University of North Carolina at Chapel Hill; M.A., Columbia University, Teachers College; Ph.D., University of Georgia

CHRISTEL BROADY (2004)
Professor of Education
Zwischenpreufung (B.A.), Ruhruniversitaet; M.A., University of Pittsburgh; Ph.D., University of Nebraska-Lincoln

MELODY D’AMBROSIO DEPREZ (2007)
Associate Professor of Education
B.A., Marymount Manhattan College; M.A., New York University; Ed.D., Spalding University

ANITA JONES (2007)
Associate Professor of Education
B.A., Coe College; M.S.E., Ed.D., Drake University

ANDREA PEACH (1998)
Professor of Education and Associate Dean of Graduate Education
B.M, M.M., Ed.D., University of Kentucky

HAROLD PEACH (2011)
Assistant Professor of Education
B.B.A., M.S., Ph.D., University of Kentucky

KARA RUSK (2011)
Assistant Professor of Education
B.S., Indiana University; M.S., Bellarmine College; M.S., Indiana University Southeast; Ed.D., Spalding University

TAYLOR THOMPSON (1992)
Professor of Education
B.S., Louisiana State University; M.Ed., University of Southern Mississippi; Ph.D., University of Mississippi

B.A., Georgetown College; M.A., Ed.D., University of Kentucky

A. LINDSEY APPLE
Professor Emeritus of History
B.A., Georgetown College; M.A., University of Kentucky; Ph.D., University of South Carolina

JOHN BLACKBURN
Professor Emeritus of Chemistry
B.S., Westminster College; Ph.D., Vanderbilt University

CHARLES N. BOEHMS
Professor Emeritus of Biology
B.S., M.A., George Peabody College; Ph.D., University of North Carolina at Chapel Hill

JANA BRILL (1991)
Professor Emeritus of French
B.A., M.A., University of Colorado; Ph.D., University of California

ROBERT D. BRYANT
Professor Emeritus of Sociology and Anthropology
B.S., Temple University; M.Div., Crozer Theological Seminary; Th.D., Boston University

BOBBY WAYNE BURCHETTE
Professor Emeritus of Education
B.A., Berea College; M.A., Eastern Kentucky University; Ed.D., East Tennessee State University

MARY ANNE CARLETTA (2005)
Associate Professor Emeritus of Biology
B.A., Colgate University, Phi Beta Kappa; M.S., Ph.D., Rutgers University

GENEVIEVE CLARK
Associate Professor Emeritus of Biological Sciences
B.A., Georgetown College; M.S., University of Kentucky

PATRICIA U. COOPER
Associate Professor Emeritus of Spanish
B.A., A.M.E., Florida State University, Phi Beta Kappa; B.B.A., LaGrange College; Ph.D., University of Kentucky

DAVID DAVILA
Professor Emeritus of Modern Languages
B.A., Ouachita Baptist University; M.A., Texas Christian University; Ph.D., University of Cincinnati
ROBERT DAVIS  
Professor Emeritus of Foreign Languages  
B.A., Carleton College; M.A., Ph.D., University of Wisconsin

DENNIS K. DEDRICK  
Professor Emeritus of Sociology and Anthropology  
B.A., Luther College; M.A., University of Kentucky; Ph.D., University of Iowa

BEN M. ELROD  
President Emeritus; Professor Emeritus of Religion  
B.A., Ouachita Baptist College; B.D., Th.D., Southwestern Baptist Theological Seminary; Ed.D., Indiana University

AUSTIN FRENCH  
Professor Emeritus of Mathematics and Computer Science  
B.A., David Lipscomb College; M.S., University of Kentucky; M.S., Ph.D., Auburn University

MARGARET GREYNOLDS  
Professor Emeritus of Communication Arts  
B.A., Georgetown College; M.A., University of Kentucky

DOUGLAS M. GRIGGS  
Professor Emeritus of Education  
B.A., Yale University; M.S., Southern Connecticut State College; Ed.D., Harvard University

ZAHI HADDAD (1992)  
Professor Emeritus of Business Administration and Economics  
B.S., M.P.A., California State University; M.B.A., Ph.D., Golden Gate University

HORACE HAMBRICK  
Professor Emeritus of History  
B.A., Georgetown College; M.A., Ph.D., University of Kentucky

DONNA B. HAWKINS  
Assistant Professor Emeritus of Kinesiology and Health Studies  
B.S., Georgetown College; M.S., University of Kentucky

ELINOR CHANEY HAY  
Associate Professor Emeritus of Home Economics  
B.S., Western Kentucky University; M.S., University of Kentucky

ELIZABETH ANN HEARD  
Professor Emeritus of Mathematics  
B.A., Rice University; M.A., Ph.D., University of Kentucky

JAMES L. HEIZER  
Professor Emeritus of History  
B.A., Baylor University; M.Div., Southern Baptist Theological Seminary; M.A., Indiana University; M.A., Ph.D., University of Kentucky
RUTH HEIZER
Professor Emeritus of Philosophy
B.A., Baylor University; M.R.E., Southern Baptist Theological Seminary; M.A., University of Kentucky; Ph.D., Indiana University

H.M. LEWIS
Professor Emeritus of Music
B.A., B.M., Hendrix College; M.M., Northwestern University; Ph.D., Louisiana State University

MARY MARGARET LOWE
Associate Professor Emeritus of Library Services
B.A., M.S., University of Kentucky

JOE E. LUNCEFORD
Professor Emeritus of Religion
B.A., Mississippi College; B.D., New Orleans Baptist Theological Seminary; Ph.D., Baylor University

SARAH S. MARSHALL
Associate Professor Emeritus of Education
B.A., M.S., Indiana University

STEVEN W. MAY
Professor Emeritus of English
B.A., Rockford College; M.A., Ph.D., University of Chicago

JAMES McCORMICK
Professor Emeritus of Art
B.A., Georgetown College; M.A., University of Kentucky

ROBERT McMURRAY
Associate Professor Emeritus of Business Administration and Economics
B.A., M.B.A., Harvard University

JANET R. PARKER
Professor Emeritus of Education
B.A., Transylvania University; M.S., Purdue University; Ed.D., Indiana University

SUZANNE H. PEAL
Professor Emeritus of Business Administration and Economics
B.A., M.A., Ed.D., M.S., University of Kentucky

LOUIS H. POLSGROVE
Professor Emeritus of Education
B.A., M.A., Georgetown College; Ed.D., University of Kentucky

REBECCA POWELL
Professor Emeritus of Education
B.M.Ed., College of Wooster; M.Ed., University of North Carolina at Chapel Hill; Ed.D., University of Kentucky
PAUL L. REDDITT  
*Professor Emeritus of Religion*  
B.A., Ouachita Baptist University; M.Div., Southern Baptist Theological Seminary; M.A., Ph.D., Vanderbilt University  

THOMAS SEAY  
*Professor Emeritus of Biological Sciences*  
B.S.A., University of Florida; M.S.A., Ph.D., University of Kentucky  

GERALDINE ANN SHAW  
*Professor Emeritus of Psychology*  
B.A., University of Wisconsin; M.S., Ph.D., University of Kentucky  

SIGRID SUESSE (1994)  
*Professor Emeritus of German*  
B.A., Wayne State University; M.S., University of Kentucky; M.A., Ph.D., University of California at Irvine  

DANIEL B. TILFORD  
*Associate Professor Emeritus of Music*  
B.A., Georgetown College; M.M.E., Indiana University  

CAROL WILLIAMS  
*Assistant Professor Emeritus of Education*  
B.A., M.A., Georgetown College  

WALTRAUD WOYACK  
*Associate Professor Emeritus of History*  
Staatesexamen (State Board Examination), Free University of Berlin  

MARTHA F. WATSON  
*Professor Emeritus of Mathematics*  
A.B., M.A., Murray State University; Ph.D., University of Kentucky
